

Farewell from Jim Dill

We had a very good meeting with Vickie this past month. We discussed the following topics with her:

1. **Can ELS lower the lake by a couple feet to protect the waterfront homes during hurricane season?**
Vickie stated there is nowhere to drain the water. If they drain in our street drains, the water comes right back into the lake. Also, they can't drain outside the park as it is against the law and controlled very closely by counties.
2. **Can the culverts be cleaned out to ensure free flow of runoff water?** The culverts are being closely monitored, and one drain needs replacement. Also, we discussed the ditch behind the perimeter homes. Vickie has landscapers, mowers, and pond perimeter work being done to spray the ditch, mow the edges, and use heavy equipment to clean out the ditches.
3. **Lake Fountains** – the new fountains placed in the park are junk and she has contracted for new fountains that will be installed in next couple months.
4. **Pool Heaters Status** – The new gas line has been run for the new gas heater for the hot tub. ELS has made a downpayment to replace all the old geothermal heaters and pumps for both pools. To be done in June.

It's with a heavy heart that I announce that I will resign as HOA FLE President and leave the board on June 1, 2025. As most of you are aware, I've had a very difficult year with the passing of my son. I need a change, and we have purchased a new house in Murrells Inlet SC, just south of Myrtle Beach. We will be moving out in early November, if not sooner, if our homes sell. Over the past several years, it has been an honor to serve our community and help make a positive difference in the lives of our fellow residents.

Social and Activities News from Director Chris Strong

June is here and Summer is officially only 19 days away. That also means that hurricane season is now upon us. Hopefully, many of you year-round residents attended the Town Hall Meeting last week at the clubhouse to listen to the rep from Pasco County Emergency Management and receive your "Hurricane Prep" packet. Please reach out to a board member if you were not able to attend.

The first annual Memorial Day Ceremony was held recently. This was a day for honoring and mourning the U.S. Military personnel who died while serving in the United States Armed Forces. Thank you to Bob Burke for spearheading this and to all the other folks involved in the prep work, the readings, the music, etc. God Bless America.

Social events have slowed down this month but here are a few to make note of. On June 15th, there will be a Father's Day Celebration. On June 21st Miller & Mark will be back and on June 28th, Karaoke Americana will be in the clubhouse.

Sukriti, our Humana Rep will be here on June 2nd presenting "Habits of Healthy People", June 18th with "Foods to help fight inflammation, and again on June 26th with "Taking care of your kidneys."

Our regular activities continue as usual. BUNCO will take place the first Tuesday of the month (June 3rd), and Card Bingo will be on the 8th and 22nd. The Lunch Bunch will meet on June 24 and the Book Club on the 28th. Rock painting (sip & paint) is a revived activity that was started up again on May 28th and will continue through the summer and into the fall on Wednesdays. Exact dates will be announced shortly. Come paint and relax. We are looking to start evening volleyball in the pool for anyone interested. More details to follow.

About 20-25 people attended the brainstorming sessions that were held for activities/events. There were many great ideas. I am now on the lookout for people to step up and take the lead and help with some of these activities. Including: Minute-to-Win-It, The Not So New Newlywed Game, Family Feud, Trivia, Game Nights, Arts & Crafts, off-site field trips, and monthly celebrations just to name a few.

If you can help, or would like more information, send me an email at socialactivitydirector.flehoa@gmail.com
Have a great summer, and for those travelling, be safe out there.

Doug Robey is our FLEHOA Volunteer of the Month for May. Our volunteers help make this place run so smoothly, please let us know if you are able to help in any way.

Jim Dill continued:

Although we deeply regret having to make this decision, we believe it is the right one for us. I would like to thank the board members, committee chairs, and all the volunteers for their tireless efforts. Denis Denommee will be the new HOA President and Bill Wiseman will rejoin the board as the Vice President. I know they will continue the tradition of excellence that our board represents. God bless you all and thanks for your wonderful support!
