### **Message from the desk of HOA President Carolyn Keithley**

Happy Summer everyone. I hope everyone is enjoying beautiful weather and whatever you have on your agenda. We've had a good turnout for our summer events and look forward to seeing many of you out for the rest of the events.

This month I want to touch on a few things that keep happening in our park.

As many of us will be having family visiting, we want everyone to remain safe and still have a great time. There have been several reports of young children driving golf carts in the park. Remember that only those 16 or older and have a driver's license can drive a golf cart.

This warm weather will bring many to the pool. The smaller pool is for visitors and children. If you want a larger pool for your visitors and children, you are welcome to use the pool at the RV park.

Parking is also becoming a big issue. There is no parking in the street overnight. That means cars, trucks and golf carts. RVs have been parking in front of their homes and are permitted to do so for only 24 hours. Safety needs to be a priority. Be sure that there is room for vehicles and emergency vehicles to get through. Electric cords cannot be strung across sidewalks, especially at night. Let's face it, our sight and our balance are not always the best.

The speed limit in our park is 15 mph and we have stop signs. Recently I witnessed a couple near accidents between a vehicle and a golf cart. Please, let's do our best to keep everyone safe.

We have had many new residents move into our park. If you meet someone you don't know, stop and introduce yourself and welcome them to our park. We have always been and FLE family, and it's time to welcome our new family members. Invite them to attend an event and then introduce them to your friends.

Have a great and safe summer. If you're travelling, stay safe because we want to see you back.

Happy Father's Day
