Message from the Desk of Carolyn Keithley

Forest Lake Estates Homeowners' Association (FLE HOA) President

We've had a rather rough February, with weather that has been chilly and frost that hurt so many of the beautiful plants throughout the park. Spring is just around the corner!

What a great Patio Party on February 19th. The weather was perfect and it was great to see our friends, residents and extended family members out and having such a good time. The band Good Stuff was amazing, and their music was enjoyed by many to the very end of the day. The Board's decision to have the party on the parking lot worked out beautifully. Solid ground, enough tables and chairs and shade as needed from the tents. If you missed the party, you missed a really good one! Thank you to the Board and all the volunteers who assisted in making the party a success.

It's hard to believe that our season will be coming to an end soon. Our snowbirds will be going home and activities will be slowing down. I hope that everyone has enjoyed this season and the activities that we had throughout. I am extremely thankful for all the volunteers that have come forward to support the HOA in their endeavors. We as a Board would not be able to do the things we plan without the support of our residents and the volunteers who help make them happen. Be sure to check the calendar, there are some great dinner dances to come, so come and enjoy. If you are more comfortable dining in the clubhouse, all meals can be prepared for takeout.

By the time you are reading this message, 360 inspections will have begun. Our manager, Vickie Moore will be notifying us of the lot numbers being inspected and the date of the planned inspections. She will be using the automated call system to send out her notifications. Good luck everyone on your inspections.

I want to take this opportunity to wish everyone a Happy St. Patrick's Day. If you are a snowbird and will be leaving this month, I wish you safe travels and good health until we see you next season.

It can happen to anyone at any time, regardless of race, sex or age. While it is possible to reduce risk of stroke by choosing a healthier lifestyle, the best way to prevent stroke is to get screened.

KEEPING YOU UPDATED

Resident Concern Forms

All concerns to Community Management must be made in writing, signed and dated, and must be submitted to the Community office. Although we know the process can be cumbersome, it would benefit all of us, if, when you have a concern, you complete the Resident Concern Form, bring the completed form to the office, have them sign and date the form (this acknowledges receipt of the form) and ask for a copy. If you would also provide any member of the HOA Board with a copy, we will then have a record and paper trail which we can use to follow up. We cannot stress this enough. The paper trail is important when there is no response to a written concern. A copy of the concern form can be found on page 24 or on the website www.fle-hoa.com.
