We Will Gather to
Honor Our Veterans*

Message from the Desk of Carolyn Keithley

Forest Lake Estates Homeowners' Association (FLE HOA) President

Welcome back to all our snowbirds from across the country. It is great to see old friends returning and I look forward to catching up with everyone. Hopefully we will see our Canadian friends returning soon. We are continuing to meet with the ELS management team monthly in an effort to resolve some of the concerns we have about our park. We have recently submitted a letter to the regional VP and to the corporate office in Chicago and are waiting for a reply. We will keep you updated as things change or develop.

Mike Reid, activities director, coordinated with Julie Glenna, social director, to submit our business plans for Monday Night Sandwiches and the Ice Cream Social. All of the plans we submitted were approved by regional manager Sydney Morris, so we are moving forward with planned activities for the community. Please be sure and check out the activities calendar in this month's newsletter.

The 360 inspections began in early October and should be completed by this writing. I have not heard of any follow up letters being sent to our residents, but we were told that follow up would occur once the inspections were completed. The new call box system at the front gate should be installed very soon. This should enable anyone coming into the park to easily locate and contact the parties they are here to visit.

What great news! The pool hours have been extended and we are open seven days a week, and we are back to using our clubhouse! What a great feeling it is to see some normalcy returning to our community. It is, however; unfortunate that we will not be able to host our annual Thanksgiving Dinner this year. It just means that we will be looking forward to next year and enjoy it even more.

I have received a letter of resignation from Julie Glenna, our Social Director, effective December 30, 2020. Julie has done a wonderful job over the last year. Together she and her husband Jerry have handled ticket sales for dinner dances and any event that ticket sales were needed for. I want to thank both of them for the time they have given to the residents of our community. If anyone is interested in the position of Social Director, please let any member of the board of directors know. We will also be looking for someone to chair the ticket sales. Yes we work hard for this community, but I find it very rewarding to know that we can assist you to make things better.

So, hopefully we begin to see you at our events in the clubhouse and throughout the park in the next couple of weeks. Just remember that masks must be worn while in the clubhouse, practice social distancing and use hand sanitizer. Lets all work together to bring our park back to the normalcy we know and enjoy.

Happy Thanksgiving to everyone,
Carolyn Keithley, FLE HOA President

From our Social Director—Julie Glenna

Happy Fall. To our US residents returning, drive safe and we look forward to seeing everyone again.

We all have shown great strength and respect for each other during this pandemic. Your diligence in following the guidelines set forth by ELS, as well as the state and national regulations, has kept our community safe.

Thank you.

The HOA Board has been constantly working with our resident management team to get activities going again. We have submitted plans to them for several activities and have received approvals to begin several different activities. We will continue to work with them on your behalf.

Our Canadian friends and family are dealing with a border that, as of this time is closed through November. Due to the restrictions currently in place, our annual Thanksgiving Dinner and our Saturday Night Dinner Dances will not take place in the month of November. We will all miss the wonderful dinners and the chance to get together with friends. We wish you all our sincere blessings for a wonderful Thanksgiving holiday.

The good news is that we continue to submit plans to community management and we are happy to say that Monday Night Sandwiches and Ice Cream Socials have been approved and will be moving forward.

Due to the current restrictions, masks will be required and social distancing must be practiced using the table layout done by ELS. The maximum capacity in the clubhouse at one time is 100, this includes attendees and kitchen staff.

New Procedure for Monday Night Sandwiches:

Our first Monday Night Sandwich night will be on Monday, November 9th. Advance tickets are required and will be sold on Monday, Nov 2nd and Tuesday, Nov 3rd from 10:00 to 12:00 noon.

On November 9 you will come to the clubhouse between 4:30 – 5:30 pm and give your name to the person(s) out front. We will pull your order and process it for you. **Please come gradually throughout the hour as to allow for everyone to move along in a timely fashion.** You can choose to eat in or take out. Maximum capacity in the clubhouse is 100 people at one time. That number will also include those preparing the meal for you. To accommodate more residents we are limiting the number on the teams during that hour to allow as many people in as possible. Once you have finished eating, we ask that you wipe down your table using the anti-bacterial wipes & spray which are placed around the clubhouse. We appreciate your help with this.

We are following the guidelines used in restaurants with all pre-packaged condiments and silverware. Your lemonade and coffee will be given to you from the kitchen window, along with your meal. We were able to keep our same pricing from last year.

Our Menu:

Hamburger/Cheeseburger w/ potato chips	\$5.00
Chicken Sandwich w/ potato chips	\$5.00
Brat w/ potato chips	\$5.00
Hot Dog w/ potato chips	\$4.00
Soda & Water	\$1.00

Apple Sauce can be substituted for the chips at no extra charge.

Ice Cream Social

Our first Ice Cream Social will be held on Sunday, November 15th. Advance tickets are required and will be sold in the clubhouse on Monday, Nov 9th and Tuesday, Nov 10th from 10:00 to 12:00 noon. The Menu will be available to you at the time of purchase of tickets. Prices will remain the same as last year.

A reminder that masks will be required and social distancing must be practiced using the table layout done by ELS. We also have a maximum capacity of 100 people. When you arrive, someone will pull your orders and they will be made for you. You can pick them up at the window as usual when your name is called out.

To allow others to enjoy their ice cream goodies, please assist us in wiping down your tables with the wipes and spray provided.

Both menu's will be posted on the bulletin board outside the clubhouse screen room prior to the start of ticket sales.

Let's enjoy the amenities and socializing that are starting up. We hope to be able to provide more events in the near future.

Lending for Little Ones

It's nice to be prepared for our little visitors. Lending for Little Ones is still here. We currently have people signed up with a variety of items that are available to lend to others. We can meet most needs. We have strollers, porta cribs, car seats, water wings and much more.

We still need volunteers who are willing to lend items to others. If you are able to lend items, please contact me so that I can add your items to the list. If you need to borrow something we will try to accommodate you.

Those interested in lending or borrowing, please contact me at 813-753-7099 or email me at ann.kubiet@gmail.com.

Thank you, Ann Kubiet

Frequently asked questions:

Q: How do I let my guests in the gate?

A: You will provide your guest with your 4-digit gate code prior to their arrival. Once your guest is in the visitor lane at the entrance, they will enter your assigned 4-digit gate code in the call box, a call will be sent to the phone number you provided upon moving into the community, once you answer the phone you will have to press (9) from your phone to grant them access into the park.

Q: I followed the directions and for some reason the gate wouldn't open! What do I do?

A: We understand the gate can be quite confusing sometimes, so here's what you can tell your guest: "The office is open 8:30AM-5PM Monday-Friday just put in the gate code that's listed on the green sign on the call box, identify the resident you are coming to see and they will let you in."

Q: I don't use my phone often and I never hear it when it does ring... What am I supposed to do?

A: Refer to the answer above.

Q: Am I allowed to obtain a barcode for a friend or relative?

A: No, barcodes are for resident use only and should not be used by any family members, or friends.

Q: Where can I purchase a key fob?

A: You can purchase a key fob from the Forest Lake Estates management office for \$25 each, all you need to do is bring the acceptable payment method which is a check or money order made out to Forest Lake Estates and an official document with your address on it.

Q: How do I obtain a new barcode?

A: You can obtain a bar code from the Forest Lake Estates management office for free, all you need to do is bring your current up to date drivers license, and the valid vehicle registration for the car that needs a new barcode. One of our community representatives will be more than happy to install for you.

NEWS FROM THE MEMBERSHIP DESK:

Greetings to all HOA members. A new year will be dawning soon and I hope it will be better than the last 8 months have been.

I will be kicking off the sale of the 2021 HOA Memberships on November 2nd at the clubhouse from 10am to 12noon.

With the threat of Covid-19 still around, we understand that many of our residents will not be coming to Forest Lake Estates this winter. Because all memberships expire on 12/31/20, that means anyone who has not paid the HOA membership fees, their membership will be terminated. I would like to recommend that members that are unable to return before the end of December, complete the Membership form (form can be found on page 7) in the newsletter and mail it to the address on the form, along with a check for \$20 per household, payment made to Forest Lake Estates HOA. I will then issue you a membership card and hold it until you can pick them up from me when and if you can come to FLE this winter. By keeping your membership active, you will continue to receive the newsletter, all email announcements and meeting minutes, once meeting have resumed.

For residents in the park, you can come to the clubhouse on Monday mornings to get your new memberships or drop off your form and money in the blue box on my front step.

Janice Collins, Director and Membership Chairperson

2021 FLE HOA MEMBERSHIP CAMPAIGN

“YOUR VOICE IN THE PARK”

The purpose of the Forest Lake Estates Home Owners' Association (FLE HOA) is to ensure our membership and our perspective members are aware of the goals of our Association. We are now conducting our 2021 Membership Campaign.

Our mandate is to:

- Operate an Association encompassing the well-being of the business affairs of the Forest Lake Estates Home Owners' Association.
- Promote FRIENDSHIP and HARMONY between FLE HOA and the Park Owners, ELS .
- Ensure rent increases are REASONABLE AND WORTHY; and,
- Ensure ELS is in compliance with 723 F.S., the Prospectus, and all exhibits thereto.

While it is important to maintain a harmonious relationship between FLE Residents and ELS, it is also important to know that the FLE HOA stands firm on these mandates. All Forest Lake Estates residents have an investment that must be protected. The FLE HOA is the ONLY entity recognized by the State of Florida to represent all of the residents in the Park. The HOA works with ELS to assure that the park is maintained appropriately and to protect the best interests of all residents. All residents are encouraged to join the HOA and support the HOA Board of Directors as they work to support you. From November through Mid-January, membership sales are held in the clubhouse on Mondays from 10:00AM until 12 Noon. The dues are \$20 per household per year and are deposited into our general fund to be used for operating expenses, activities and legal support. Members who provide an email address will receive the monthly newsletter, minutes of membership meetings and any announcements via email. You may choose to have a hardcopy newsletter delivered to your home November to April. Newsletters are only delivered in the summer to members without email. Board Members are elected each year in January. You must be a paid member to be eligible to run for a seat on the board and to vote in the election.

ASSOCIATE MEMBERSHIPS are available for Renters only

Associate Members will have all the benefits of Members but cannot run for election or vote. The fee is \$15.00 per household. Please contact Janice Collins for the application. (813-788-5678). The Associate Member Form is different from the HOA Membership Form.

Did You Know

Household trash collection is a free service. During Winter, November 1 thru 1st Monday in May, trash is picked up Monday and Thursday for houses below Ritchie Lane. Above Ritchie (closer to clubhouse) pick up is Tuesday and Friday. Summer hours May 1st to November 1st, collection days are Monday and Thursday for all streets. Trash must be bagged and in covered cans and should be put out by 7:00am. If you set bags out at night, they may be “opened” by critters. All yard clippings need to be bagged or tied, no longer than 4 feet long. All cardboard boxes must be flattened and tied together. TVs and appliances will not be picked up.

Ask The HOA

Question: submitted by Julie Smith, Lot 123

Why if we pay more to live on the lake do we get less lawn service ie weed wacking at waters edge only once a month

Answer: Julie, thank you for your question. This issue has been discussed with ELS a number of times. The last time it was discussed was at the August 27th meeting of the HOA Board and ELS. At that meeting, we had photos and suggested that the trimming take place more often and closer to the lake. We were advised that the lawn care vendors are paid to trim to the water's edge. ELS agreed to discuss this with the vendor. If you continue to see issues, we can now only suggest that you complete a Resident Concern form, bring it to the office, make sure to get a signed/dated copy for yourself and the HOA board. Once the concern is registered with the office, we can then follow up when we meet with them.

Do you have a question you want answered, submit it by November 15th to

EditorFLEnewsletter@gmail.com

If we have the answer, we will share it; if we don't, we will work to get the answer for you..

...Some News about Activities and Events

From the desk of Mike Reid, Activities Director:

To all those who have returned or will be returning in the near future, welcome back! To those who may not be returning due to restrictions, know that you will be missed. After a long, crazy 7 months, we are finally getting some of our activities back. We have calendars. If you don't see your activity on the calendar, please let me know. In accordance with the rules established by ELS, participants of any activity that is held in the clubhouse, must wear masks at all times and practice social distancing as much as possible. Due to COVID restrictions, our larger social activities will be different this year. So please be patient with us as we work to get our activities running safely. If you have any ideas for a new activity or if you would like to run an activity, please let me know. We are always looking for good volunteers. Every idea is only as good as the one who thought it up, so please know that you will be asked to either be run the activity, or at least volunteer for it. Thanks for your cooperation!

I would also like to take the time to thank Donna Karakhanian for organizing all of the golf cart parades during the pandemic. With so little to do early on in the lockdown, having this nice, little diversion was fantastic for all of those who participated or cheered them on as they drove by. So thank you very much for stepping up and volunteering, Dee!

I'd also like to thank Debbie Prosser and Patsy Sokol for the addition of Sister's Rock to FLE!!! Whether you're searching for the latest finds, be they in person or on either their own Facebook page or the FLE Community Page, it has inspired so many in so many ways and at such an incredibly difficult time in everyone's lives. Thank you for the smiles, ladies!

PARTY HARDY PUTT-PUTT LEAGUE, OUR NINTH SEASON 2020-2021

Vince Boido, e-mail: rbigolfleague@gmail.com or text at 813-843-1191

It's time to start planning for our ninth season of Putt-Putt. Due to covid 19 concerns, social distancing will come into play this year and our league format has changed. Hopefully we will have enough interest so that I can carry out the new plan. 20 teams filling out for separate divisions will be scheduled on Mondays 3:00 to 4:10 PM, Wednesdays (two sessions early & late) will be scheduled at 3:00 to 4:10 PM, (early) and 4:20 to 5:50 P.M. (late) and 20 teams will be scheduled on Fridays 3:00 to 4:10 PM. The first scheduled week will be Monday November the 2nd, Wednesday the 4th (early and late), and Friday November 6th. Sundays will be make-up by appointment only. For skins purposes, Sunday will be considered the end of the week. Please contact me via e-mail or text before October 21st to let me know which day/time slots that you are available to play. If you are able to play on more than one time slot please let me know, I could use as much flexibility as possible. Tee times will be printed at the start of the season. There will be ten minutes between tee slots and every team will now be scheduled to play head to head competition with another team from the same division. Please cooperate by letting me know when you plan on arriving at FLE and when you are available to start as well as what division you can play. Make-up plans are in place, if you cannot arrive on time you will have the opportunity to play your matches.

Every match will provide for teams to earn points. Scores will be considered Net Score with the same previous year's handicapping system to apply. Points will be earned as follows: Win- 6 points; Tie - 3 points; Loss - 2 points; and 1 point for every hole in one. No points for forfeited matches (begins Feb.1st).

League fees have been reduced to \$15.00 per player, \$30.00 per team. Skins are still a mandatory \$1.00 per person and we have a carry-over from last season (\$310.00) to begin our season. With the new scheduled tee times only four players would come within the 6 feet contact spacing, this should not be an issue.

Please contact me asap, I have a lot of work ahead of me and need to set up the league. I am looking forward to seeing all of you soon. Vince Boido, rbigolfleague@gmail.com or text/call (leave a message if I don't answer) at 813-843-1191.
