All reasonable means have been taken to ensure that your residency is pleasant and enjoyable. Many of the Rules and Regulations are based on the requirements of state and federal law, and the remainder are to assist in the peaceful enjoyment of all residents.

These Rules and Regulations (“Rules”) are intended to maintain the appearance standards and comfort of Forest Lake Estates (the “Community”) for you and your visitors. A copy of the Rules will be posted in the Community and must be observed by all Residents and guests. 1.4 Guest: means a person who is not entitled to reside on the lot and who has visited the Community for a period of time no longer than 15 consecutive days or 30 total days per year.

1.5 Home: means a mobile home as defined in section 723.003(8), Florida Statutes.

1.6 Home Owner: means a person who owns a mobile home and rents or leases a lot within the mobile home park for residential use as defined in Section. 723.003(11), Florida Statutes.

1.7 Lot or Site: means a “mobile home lot” as defined in Section 723.003(9), Florida Statutes.

1.8 Rental Agreement: means any mutual understanding or lease, whether oral or written, between a mobile home owner and a mobile home park owner in which the mobile home owner is entitled to place his or her mobile home on a mobile home lot for either direct or indirect remuneration of the mobile home park owner as defined in Section 723.003(10), Florida Statutes.

1.9 Resident: means a person entitled under authority of a Home Owner’s lot rental agreement to the use and occupancy of a residential lot within the Community to the exclusion of others. The term includes Tenants, Home Owners, and Third-Party Rentals.

1.10 Tenant: means a person residing in a home on a lot within the Community under authority of the Home Owner’s lot rental agreement with Community Owner, and such person does not own the home occupying the lot. 1.12 **Unauthorized Occupant:** means a person who is not entitled to reside on the lot and/or who has visited the Community for a period of time longer than 15 consecutive days or 30 total days per year.

2. RESIDENCY

2.1 Any person applying for admittance as a Resident of the Community must fill out an application for residency and be interviewed by Community Management. All prospective residents must be approved by Community Management and must sign a rental agreement prior to beginning occupancy of a home currently in the Community or prior to moving a home into the Community. Community Management has the right to reject a prospective Resident for any reason not prohibited by law; however, approval may not be unreasonably withheld. Community Management will not approve a prospective Resident who provides false or misleading statements, whether orally or in writing, within the rental application or in any statement or document offered in support of a request for residency approval. The purchase of a Home Owner’s home by those who have not executed the rental agreement or obtained written consent from Community Management shall not constitute permission or right for the purchaser(s) to reside within the Community. An application for residency, and background check must be completed and approved, a Prospectus and a copy of the Rules and Regulations delivered, and a Rental Agreement signed, prior to: (i) residing in a home within the Community; or (ii) arrival of the resident’s home in the Community.

2.2 Community Management reserves the right to: (i) refuse residency to anyone who purchases or otherwise receives title to a home unless approved pursuant to paragraph 2.1; (ii) refuse to accept further lot rental amount payments and terminate the Rental Agreement of anyone who, after proper notice pursuant to section 723.061, Florida Statutes, fails to comply with these Rules and Regulations (see rule re: Enforcement and Eviction, for further information); and (iii) refuse residency to any applicant for any reason not prohibited by law.

2.3 Unless the home is sub-leased upon prior written permission of Community Management, the principal resident of each home in the Community must be its legal owner. Except as expressly provided by applicable State law, no one other than those executing the Rental Agreement shall be allowed to reside upon the lot set forth in the Rental Agreement without prior written consent from Community Management. Each additional occupant of the home must be approved for residency by Community Management, and the name of each person over the age of 18 must be listed in the Rental Agreement prior to residing in the home. Any increase in the number or exchange or substitution of persons in a home must have Community Management's prior written approval. Without prior written consent of Community Management, the mobile home may not be permanently occupied by more than two (2) persons per bedroom or the allowable number of persons based upon the design criteria of the home. Non-compliance in qualifying additional occupants will subject the Resident to eviction (see rule re: Enforcement and Eviction, for further information).

2.4 Heirs and/or beneficiaries of a deceased Home Owner are not considered to be “purchasers” for the purpose of assuming the remainder of the deceased Home Owner’s tenancy. All heirs and/or beneficiaries and/or purchasers must be approved by Community Management prior to initiating occupancy of the home.

3. 55 AND OLDER COMMUNITY

This Community is intended and operated for occupancy by persons 55 years of age and older and, as such, adheres to the requirements of the Housing for Older Persons Act of 1995. Consequently, at least 80 percent of the occupied units must be occupied by at least one person who is 55 years of age or older as of the date of occupancy.

At the time of application for initial residency, or upon demand of Community Management, all prospective residents and all existing residents shall be required to produce for inspection and copying, one of the following age verification documents: driver's license; birth certificate; passport; immigration card; military identification; other valid local, state, national or international documents containing a birth date of comparable reliability or a certification in a lease, rental agreement, application, affidavit or other document signed by any member of a household over the age of 18, asserting the age of the persons residing therein. The minimum age for all residents is forty (40). Notwithstanding the above, Community Management reserves the right, in its sole discretion, to grant exceptions to the minimum age requirements of this Rule, while still maintaining compliance

with the Housing for Older Persons Act of 1995.

On January 1st of each even numbered year, Community Management shall provide existing residents with a notice that the resident shall provide the names and ages of all current persons residing in the home. Failure to provide the written resident documentation shall constitute a violation of these Rules and Regulations and the resident may be subject to eviction pursuant to Section 723.061, Florida Statutes.

4. PAYMENTS, FEES, AND CHARGES

4.1 Payments: Lot rental amount must be paid in full. Timely payment in full is required; partial payments will not be accepted. Lot rental amount payments are due on the first day of each month and must be paid on or before the fifth (5th) day of the month. A Late Charge will be charged to any Resident whose lot rental amount is not received by Community Management (including mailed-in payments) on or before the fifth (5th) day of the month for any Resident who does not pay in full thereafter, as provided in the Prospectus. Payments are collected in the Community office during office hours or may be placed in the drop-box.

4.2 Resident must pay by personal check, cashier's check, money order, certified check, or bank electronic funds transfer. Community Management reserves the right to refuse a personal check. Community Management also reserves the right, but is not obligated, to accept credit cards as a valid form of payment in the future. All payments must be payable in U.S. funds drawn on a U.S. financial institution.

4.3 For safety purposes, cash is not accepted for any reason.

4.4 NSF Checks: If any Resident's personal check is returned for insufficient funds, then Community Management will accept payment only in the form of money orders, cashier's checks, certified check, or electronic funds transfer for six (6) months thereafter for that account. If a Resident has twice written personal checks on insufficient funds, then Community Management will only accept payment, on a permanent basis, in the form of money orders, cashier's checks, or electronic funds transfer.

5. SALE AND/OR REMOVAL OF HOME

5.1 Home Owners have the right to sell their homes within the Community. The purchaser must, however, meet all requirements for residency prior to occupancy or the purchaser will be required to move the home from the Community (see rules re: Residency and Eviction).

5.2 A Home Owner intending to make a bona fide sale of his/her home or any interest in it to a proposed purchaser intending to remain in the Community shall give to Community Owner notice of such intention, together with the name and address of the proposed purchaser and such other information concerning the proposed purchaser as Community Owner may reasonably require. Home owner shall provide to Community Owner a copy of the final executed sales contract. Home Owner may redact all financial information and social security numbers contained in the copy of the final executed sales contract before submission to Community Owner. Resident shall direct the proposed purchaser to Community Management for exchange of information, including the lot rental amount which will apply at the expiration of the seller's lease term or at the time of sale. Within seven (7) days of transfer of title, change in financing of the home, or purchase of Home Owner's home, a true copy of the legal registration showing title registered in the name of the purchaser and the name of the lienholder, if any, shall be provided to Community Management by Home Owner. This rule does not in any way diminish or affect the obligation of every purchaser of a home to seek and to obtain written approval by Community Management prior to the change in occupancy of the home if the proposed purchaser intends to become a resident of the Community.

5.3 Prior to written approval of the purchaser for residency, Community Management will inspect the entire lot and exterior of the home to verify that it complies with all rules and regulations. The home must meet all local code requirements, including but not limited to, electrical and plumbing. The inspection will include, but is not limited to, exterior maintenance, skirting, carports, awnings, attached structures, sheds, shrubs, trees and lawn care. Any infraction or deficiency must be repaired/upgraded. The seller and the purchaser must provide proof of completed repairs or written assurance to Community Management that any repairs or changes to the home will be made as necessary to bring the home into compliance with community standards as set forth in these Rules and

Regulations, within a reasonable time frame as specified by Community Management in writing. Community Management has the right to deny approval of the proposed purchaser if such work is not done; however, approval may not be unreasonably withheld.

5.4 Home Owner may display one "For Sale" sign, no larger than 9 inches by 12 inches, inside the home window. This sign may display only the words, "For Sale" or the equivalent plus an address or telephone number of the Resident, and the name of the broker, agent, or dealer where further information may be obtained. The display of any other commercial enterprise on the sign is prohibited. Due to safety and security considerations, any home offered for sale must be registered with the Community office before a sign is displayed. All outside realtors, brokers or service companies working in the Community must show proof of current licensure and proof of appropriate liability insurance before starting work. Those without such proof of insurance on file with Community Management will be stopped from performing work inside the Community until such proof of insurance is presented to the Community office.

5.5 Community Owner requires that any home not meeting the Community's established standards, as required by these Rules, or any home which is improperly maintained, be upgraded to improve the quality and appearance of the home. Failure to meet the Community's requirements shall be a violation of these Rules.

5.6 In the event Home Owner intends to move the home from the Community, written notice must be given to Community Management of that intent at least thirty (30) days prior to the moving date. Such move must be made between 8:00 a.m. and 5:00 p.m. so Community Management may have an inspector present. Only transporters of homes, properly licensed and authorized by governing authorities, are permitted to move homes into or out of the Community. Such transporters must provide Community Management with a security deposit of up to \$500.00 and a certificate of general liability insurance in an amount of not less than five hundred thousand dollars (\$500,000.00) to ensure against personal injury and damage to property. Written permission from Community Owner is required prior to any move of a home either into or out of the Community. All current charges must be paid in full at the Community office.

5.7 Any Home Owner who removes a home from the Community is responsible for any cleanup necessary, including removal of all trash, steps, broken concrete, planters, patios and footers, and any other discarded materials. Utility connections must be sealed, protected, and identified. The home site must be left in a clean and neat condition; it must be cleaned, cleared, and approved by Community Management. Home Owner is responsible for expenses incurred in restoring the site to a clean condition. Community Management shall provide written notice to Home Owner upon satisfactory completion of home site restoration. Home Owner's obligation for payment of lot rental amount shall terminate as of the end of the lease term in effect at the time of removal of Home Owner's home or at such time as agreed to in writing by Community Management.

5.8 Community Management requires that each Resident comply with the requirements of all governmental agencies including, but not limited to, HUD, the department of motor vehicles or transportation, the State and the County in which the Community is located.

5.9 Community Management and Community Owner assume no responsibility in the event that a dealer, bank or other secured party should opt to remove the home of a Resident from the Community, except for Community Management's failure to perform a duty or negligent performance of a duty as implied by law.

5.10 Destruction of Home: Should the home be destroyed by fire, windstorm, water, an act of God, or by any other means, the Home Owner must remove the salvage from the home site within thirty (30) days from the date of such event, or from the date of mailing of written notice from Community Management to Home Owner to remove same, whichever is earlier, unless a longer period for removal is provided by applicable ordinance or law. The Home Owner may request an extension of time based on availability of contractors beyond said thirty (30) day period.

Only new homes (never previously occupied) and used homes which have been approved in advance in writing by Community Management as acceptable for location within the Community will be allowed in the Community. A plot plan showing the location of the home, accessory buildings and any improvements existing and proposed to the home or lot shall be submitted to Community Owner. Wherever required, a permit must be obtained from the local city or county building department and from Community Management before installation. Sheds shall be located in the back of the home but may not be installed in a location bordered by a street. No standalone sheds are permitted; only sheds attached to the home are allowed. Only one shed per lot is allowed and sheds are prohibited from being equipped or tied-in with utilities such as electricity and water, unless prior written approval from Community Management is obtained as to the number of sheds and utility tie-in.

7. MAINTENANCE OF HOMES

7.1 Residents who commence occupancy in the Community must meet community standards, as disclosed in these Rules and Regulations. Community Management is in the continual process of maintaining these community standards and reserves the right to require Residents to comply with the community standards, as set forth in these Rules and Regulations, in effect at the time of the Resident's entrance into the community. These requirements may be modified by Community Management due to space limitations, design considerations, or such other reasons as may be sufficient in the sole discretion of Community Management. Alterations or modifications to a home made in violation of these rules and regulations must be removed or replaced.

7.2 All homes and applicable buildings must be maintained in compliance with all municipal, county and State housing and health codes. In the event any governmental agency shall impose a fine for failure of the Resident to comply with the same, Resident shall be responsible for payment; and, in the event the Community pays the fine, Resident shall promptly reimburse Community Owner for the payment made on Resident's behalf.

7.3 **Maintenance:** All homes, carports, sheds, or any other items placed on a lot by Resident, must be maintained in a clean and orderly manner and in good repair. Residents must immediately repair any water leaks in or from pipes or fixtures in, on or under the home up to the point where such systems connect to the Community lines at Resident's lot. The exterior surfaces of the home including the eaves and trim shall be kept free of mildew, dirt, grime or discoloration. Homes must be washed at least annually. Peeling, fading, or damaged exterior surfaces, and broken windows, doors, and screens must be restored and repaired to the condition of a well maintained home in the Community. Damaged areas or poorly painted areas of the home and accessory buildings must be repaired or repainted. Community Management reserves the right to require Resident to perform repairs, repainting or other maintenance that is needed to maintain community standards as set forth in these Rules and Regulations.

7.4 **Parking Area:** Where the Community has provided a paved parking area on the lot, Resident is responsible for maintaining this paved area and keeping it in a state of cleanliness and repair. If damaged by Resident or guest(s) during the tenancy, Resident must repair same. This obligation includes any oil spill or leak.

7.5 **Exterior Surfaces:** As the appearance of the home ages, or is damaged or otherwise altered in appearance, if deemed necessary or appropriate by Community Owner, housing or health code enforcement personnel, the home shall be modified so as to be brought to the state of cleanliness and repair of a well-maintained home, and free from mold and mildew. While homes may not be required to be brought to an overall "as new" condition, repairs and maintenance may be required to replace damaged, dilapidated, peeling, faded, or discolored components of the home visible from the street or from an adjacent home including resurfacing, re-siding, re-roofing, lap-siding or similar modifications.

7.6 All exterior materials used in upgrading, must be approved in writing by Community Management prior to their use on the home. The materials used should be consistent with the types of materials used on well maintained homes in the community.

7.7 **Alterations/Additions:** Residents are encouraged to upgrade their homes. 7.7.1 No change may be made to the color of the exterior of the home or any portion thereof without prior written permission of Community Management. A sample of the proposed new color(s) must be shown to and approved by Management prior to repainting.

7.7.2 Each resident is responsible for the submission of complete plans or permits for anticipated alterations showing compliance with community standards as set forth in these Rules and Regulations, county building and zoning codes, and other restrictions of record.

7.7.3 If electrical, mechanical or plumbing is upgraded, whether or not to accommodate appliances or improvements of any type, such upgraded service shall be at the sole expense of Resident.

7.7.4 Approval is necessary to protect the underground utilities, continuity of Community appearance, and the safety of Community Residents. In addition to all other remedies available to it, Community Management may require Resident to remove any unapproved construction or addition.

Resident's Initials _____

7.7.5 Resident shall consult the Community Management before doing any digging, as certain utility and service connections are underground and Resident shall call for any required utility location. Cost of repairs for damaged underground services will be assessed to the Resident who damages any underground service.

7.7.6 All improvements must be completed within thirty (30) days of approval by Community Management. For additional information on community standards, please see Rule, "Setup: New or Resales."

8. LOT CARE

It shall be the responsibility of Resident to ensure that the lot is properly maintained. All lots must be maintained in compliance with all municipal, county and State building, housing and health codes. In the event any governmental agency shall impose a fine for failure of Resident to comply with the same, Resident shall be responsible for payment; and, in the event the Community pays the fine, Resident shall promptly reimburse Community Owner for the payment made on Resident's behalf.

8.1 Alterations: Any alterations or modifications to a lot, including attachments, driveways, landscaping, must have the written consent of Community Management prior to commencement of work. Each Resident is responsible for the submission of complete plans or permits for anticipated alterations showing compliance with community standards as set forth in these Rules and Regulations, county building and zoning codes, and other restrictions of record. Alterations or modifications to a lot made in violation of these rule and regulations must be removed or replaced in order to comply with Community Standards as set forth in these rules and regulations, at Resident's expense.

8.2 Maintenance: Resident is responsible for the overall appearance of the home lot. The lot must be kept clean, orderly, and free of litter and debris. Resident must maintain lawn, trees, and shrubbery thereon including trimming, watering, and the general care thereof. If, after proper notice and an opportunity to take corrective action, the Resident fails to properly maintain the home lot to Community Standards, then Community Management may have the necessary work performed and charge the Resident the actual costs and expenses incurred. The Community is not responsible for damage to homes or home lots resulting from acts of nature.

8.2.1 Sod: Grass sod must be repaired or replaced at Resident's expense; if the lawn contains smooth river pebble in place of sod and such smooth river pebble has been damaged or destroyed by neglect, vehicular traffic, or through other fault of the Resident, it must also be repaired or replaced. If, in the opinion of Community Management, all or part of Resident's lawn needs to be re-sodded, Resident will receive written notice from Community Management to complete this repair at Resident's expense (this requirement shall apply only if the lawn was substantially sodded when the home was purchased).

8.2.2 Landscaping: Additional landscaping (including trees and shrubs) may be planted with Community Management's prior written approval as to type and location; plantings too close to the exterior of the home are prohibited. Community Management reserves the right to reject certain species of trees or shrubs as unsuitable for planting on a home site. For example, some unacceptable plants include Melaleuca (pumpkin bark tree), Norfolk Pine, Australian Pines, Chinese Tallow (popcorn tree), Brazilian pepper, Rubber trees, and Spanish bayonet. Resident is responsible for maintaining and trimming any trees and shrubs existing on the home site before their residency and is responsible for any new plantings which have been added by Resident. Plantings and shrubbery in the front or the sides of the home cannot cover or obscure windows. Plantings are not to exceed 4 ft. in height and must be trimmed to maintain a 4 ft. maximum height. Trees and shrubs may not be removed without the written consent of Community Management. Sod must be replaced by Resident where planting is removed.

8.2.3 Trees: Trees and shrubs which are on the lot of Resident and which are destroyed or damaged by high winds, by any act of nature, by disease, or in any other way, must be removed by Resident as part of the required lot maintenance; this includes dead trees and shrubs. Trees must be trimmed to maintain a minimum clearance of six (6) feet from foliage to ground to accommodate lawn mowing by the Management. Resident must pick-up and dispose of fruit dropped from trees, remove dead or diseased plants, shrubs, or trees. Lot maintenance which is to be performed by Resident includes fallen tree or limb removal, limb trimming, fertilizing, root trimming

or removal, leaf raking and removal and repair or treatment of damage, disease or infestation from lawn pests. For purposes of this rule, any tree the trunk of which is entirely within the boundary of Resident's lot, is considered to be "on the lot." Any tree (with the exception of dead live oak trees), the trunk of which is on a boundary line of Resident's lot, is the shared responsibility of the adjacent Resident (if the trunk is located on a shared boundary line between two lots) or of the Community Owner (if the trunk is on a boundary line separating Resident's lot from a common area of the Community or from an unoccupied lot). If a live oak tree is deemed dead, then Community Management will remove the live oak tree as time and budget permit.

8.2.4 Vegetable Gardens: Vegetable gardens are prohibited on the home site except where prior written approval from Community Management has been obtained.

8.2.5 Absences: Residents who are going to be absent from the Community for more than 2 weeks must notify Community Management as to what arrangements have been made for the necessary grounds care. Community Management reserves the right to do the necessary work at Resident's expense so that the lot will meet the requirements of these Rules.

8.2.6 Watering: Sprinklers and hoses shall not be left running unattended. Excessive watering which causes draining into streets, carports, under homes or adjacent home sites, or otherwise causes run-off from Resident's home site is not permitted. Community Management may enter a home site and turn off the water in these instances in order to protect the Community. Automatic lawn sprinkler systems must be approved by Community Management prior to installation and must be constructed in accordance with applicable government regulations after permits are obtained. Restricted watering days and/or hours may be required in compliance with directives from governing authorities; if so, such requirements will be posted in the Community and must be strictly observed.

8.2.7 Ditches: Those Residents whose lots are adjacent to drainage ditches are required to maintain the space up to the banks of said ditches to prevent unsightliness. Likewise, there shall be no dumping of leaves, clippings or other debris into the ditch by anyone. However, due to concerns over possible damage to underground utilities, prior written approval from Community Management is required for the placement of a satellite dish or broadcast TV antenna on the home site. Resident is prohibited from installing satellite dishes or broadcast TV antennas outside Resident's home site.

8.6.2 Due to safety concerns posed by winds and the risk of falling outdoor reception devices and masts, these items together may only be as high as required to receive acceptable quality signals and no reception device and mast may be installed that would extend higher than 12 feet above a roofline. Additionally, approved outdoor reception devices shall not be installed nearer to a home site boundary than the combined height of the mast and reception device. To be approved, the pet must be an inside pet and a true household pet. Community Management can at any time terminate approvals granted for pets based upon incomplete, inaccurate, or changed information. Properly trained and well-behaved “house dogs” capable of being comfortably maintained indoors, for which immunization and licensing in compliance with the local animal control ordinance (or other comparable municipal ordinance accepted by the local animal control) is current and is maintained current are permitted, provided that their behavior does not in any way become a nuisance to neighboring Residents. 11.5.2 Dog owners are required to demonstrate full control of their dog and its behavior. If a complaint is received by Community Management regarding the behavior of a particular dog, which Community Management in its sole discretion determines to be valid, Community Management may require either that the dog be permanently removed from the Community or that the Resident provide evidence of successful formal obedience training by organizations operating to American Kennel Club standards, or equivalent.

No outside fences or pet restraining perimeters, whether above or below ground, dog houses, dog runs, cages, or other containers or forms of restraint of any kind for the retention of pets will be permitted on the lot.

11.5.5 Persistent barking (barks or howls for ten sustained minutes or more on a regular and recurring basis) by any dog at any time of the day or night constitutes unacceptable dog behavior.

11.5.6 Community Management will investigate any and all written complaints concerning dogs from any neighboring Resident. When dog owners are determined by Community Management to be out of compliance, the dog owner will be given written notice of such non-compliance, which may lead to eviction for non-compliance under these Rules.

If Home Owner's amperage requirement is not met, Home Owner shall bear the cost of replacing or upgrading the breakers, electrical wiring, and connections. It shall be Home Owner's sole responsibility to purchase the wire and required connecting device and to hire a duly licensed electrician for this installation. Home Owner must notify and cooperate with Community Management for the placement of the electrical components. Home Owner is responsible to Community Management and to the other home owners within the Community for any damage that arises from faulty wiring within the home, inadequate amperage, or improper installation of the electrical components.

12.2 Utility Repairs: All utility problems must first be reported to Community Management before commencing any repairs. Residents must immediately repair any water or sewage leaks in or from pipes or fixtures in, on or under the home up to the point where such systems connect to the Community lines at Resident's lot. 13.3 The garbage company will pick up trash according to their own schedule and rules. All rubbish and garbage must be securely bagged in plastic bags and put inside plastic containers with locking lids. Residents are responsible for cleaning up any scattered or remaining residue resulting from collection. It is Resident's responsibility to remove any trash the garbage company will not handle.

15. SOLICITING OR PEDDLING

Soliciting or peddling is not permitted in the Community other than Resident solicitation authorized by Chapter 723, Florida Statutes. Vendors, peddlers and agents (including representatives of nonprofit organizations) are prohibited from commercial solicitation of any nature in the Community. Vendors, peddlers and agents, after showing proof of insurance to Community Management, may from time to time, and only upon prior written permission of Community Management, be permitted to conduct business from prearranged facilities in the Community at times and on dates specified by Community Management, but at no time will door-to-door solicitation be permitted.

16. BUSINESS

16.1 No commercial business shall be permitted to be operated by any Resident, or any guest or invitee of any Resident, from or within the Community, and no advertising signs may be erected on the Resident's lot or home. A "business" includes any commercial activity which: (i) is required to be licensed by local or state law; (ii) requires traffic from outside the Community to enter for the purpose of dealing with said business; (iii) uses any type of sign or advertising on the exterior of the home; (iv) includes door-to-door canvassing of Community Residents; or (v) interferes with the safe, pleasant, and enjoyable use of the Community by any of its Residents.

16.2 No garage, lawn or tag sales will be permitted except those authorized in writing in advance by Community Management. No exceptions will be tolerated. Authorization for such sales held by individual Home Owners will be based on Home Owner(s) agreement to restrictions on the time and manner of the sale and the nature of things to be offered for sale. Community Management reserves the right in its sole discretion to immediately cancel or terminate any sale which results in a disruption of the quiet enjoyment of the Community by any Community resident.

17. RECREATION AND OTHER FACILITIES

17.1 The specific hours of operation for the Clubhouse, Swimming Pools, and other recreational or common facilities are posted at the facility's location and are disclosed in the prospectus. The recreational facilities may and will be closed from time to time as necessary in Community Management's judgment for appropriate cleaning and/or repairs, for maintenance or weather concerns, or for safety reasons, and no such closures shall be grounds for abatement of lot rental amount. The recreational and common facilities of the Community are for the use of residents and guests ONLY. All rules related to use of the common and recreational areas will be strictly enforced. The rules regarding Resident and Guest Conduct apply to the use of recreational facilities. (See rule re: Resident and Guest Conduct for further information.) All Guests must be accompanied by a Resident when using recreational facilities.

17.2 Violations of the rules for recreational and common facilities may subject the resident to legal action, including eviction of Resident or, if Community Owner so elects and Resident accepts, suspension of Resident's privileges to use the common area or recreational facility to which such violated rule applies. Acceptance of the suspension of privileges must be acknowledged by Resident in writing and provided to Community Management no later than three (3) days from receipt of the notice of violation. The length of the suspension will be based on the severity of the violation(s) as determined in the sole discretion of Community Management and may last for the remainder of Resident's tenancy. Any subsequent violation of common area and/or recreational facilities rules within a twelve (12) month period will unequivocally be grounds for eviction in accordance with Section 723.061, Florida Statutes.

17.3 The Community Owner reserves the right to eliminate the provision of any common facility or amenity in accordance with Chapter 723, Florida Statutes. One or more of the facilities or services may become unavailable in the event of natural or man-made disaster, including fire, flood, storm, hurricane, tornado, earthquake, war, civil disturbance, vandalism, or any other circumstances reasonably beyond the control of the Community Owner or of the party providing such facility or service, including strike, work stoppage, shortage of materials, shortage of fuel or breakdown, repair or replacement of equipment, and intervention by governmental authority.

17.4 The recreational facilities are provided for use by Residents and their guests on a "USE AT YOUR OWN RISK" basis. No pets are allowed in the recreation areas.

17.5 Docks: The Community's common area docks are available for the use of the Residents and their guests from 8:00 A.M. until 10:00 P.M. For reference, these docks are located on lots 101 and 196, respectively. Lot 196 has a sidewalk easement located on the left side of the lot which provides access to the dock.

17.6 Mailboxes: There are mailboxes located at the Mail Center provided by the U.S. Postal Service for each individual household.

17.7 Dog Park: There is an enclosed dog park available to allow your dog to be off the leash. The following Dog Park Rules and Regulations are also posted and must be followed at all times.

Dog Park Rules

(1) Dog park users and dog owners assume all risks related to the use of this park. Only puppies and dogs which are properly licensed and immunized and which are healthy (have no contagious conditions or diseases) are allowed in the dog park.

(2) To help prevent dog fights, owners are encouraged to inquire about any dogs already in the Dog Park which are unfamiliar to them, prior to entering the Dog Park. Observing the body language of the dogs already in the Dog Park for signs of aggression is also recommended.

Resident's Initials _____

Resident's Initials _____

(3) No dogs known to be aggressive towards other dogs or people (or exhibiting any threatening behavior) may enter the Dog Park. Dogs that have been declared dangerous or aggressive by management are strictly prohibited.

(4) Animals other than dogs are not permitted. Dogs under the age of six (6) months are prohibited. No more than two dogs per owner or handler. No female dog in heat may enter the Dog Park at any time.

(5) Dog feces must be picked up immediately using pet litter bags and disposed of properly in trash receptacles. Tie litter bags to reduce odor and fly swarms.

(6) Owners must closely supervise their dogs, and at no time should an owner leave the Dog Park without their dog(s). If your reading material or cell phone keeps you from doing this, please do not use it here.

(7) Owners should discourage their dogs from barking excessively. There is a difference between barking in play and uncontrolled, constant noise. This is especially important prior to 10AM and after 9PM.

(8) PARENTS: THIS MAY NOT BE A SAFE ENVIRONMENT FOR YOUR CHILDREN. Remember, this is a Dog Park, NOT a playground. Toddlers and small children are not allowed in the Dog Park. Parents are strongly discouraged from bringing children under 12 years of age into the Dog Park. Children shall at no time be allowed to Dog Park with or chase after dogs in the Dog Park.

(9) Do not bring rawhide or food into the Dog Park as dogfights may result. Use extreme caution if you are carrying treats.

(10) For safety reasons, choke, pinch (prong) and spike collars must be removed from dogs prior to entering the Dog Park. A basic flat buckle collar (with city license, Rabies and identification tags) is recommended.

(11) All animals that are not spayed or neutered are prohibited from using the Dog Park. Unneutered dogs are more likely to be aggressive or provoke aggression, especially when other unneutered males are around.

(12) Dogs must be leashed when entering and exiting the fenced off leash areas.

(13) Do not allow your dog to dig holes in the ground inside the Dog Park.

(14) Please do not let your dog pester or mount other dogs.

(15) NO ROLLERBLADES OR BICYCLES OR SCOOTERS in the Dog Park.

(16) The Community Owner is not responsible for any loss, injury, death, or damage to persons or property which may be suffered by Home Owner or by any other person entering the Dog Park, whether such loss, injury, death, or damage shall be caused by or in any way result from or arise out of any act, omission, or negligence of Home Owner or of any occupant, subtenant, contractor, subcontractor, visitor, or user of any portion of the Dog Park.

(17) The dog owner is financially responsible for any injury caused by their dog in a fight. Owners must pay 100% of the medical bills of any dog (and/or person) injured by their dog if their dog was clearly at fault. This includes a dog that singles out another dog for attack or a dog that is clearly out of control for some time. In a "no fault" situation where neither dog is clearly to blame, (a case where neither dog behaved well), owners should split the costs of a necessary vet bill. However, owners of UNNEUTERED MALES must pay 100% of the veterinary costs regardless of who started it. Because intact males are likely to be aggressive or provoke aggression, bringing them into the Dog Park puts all dogs at risk. ALL DOGS involved in a fight must leave for a period of at

Resident's Initials _____

least 72 hours. If there are vet bills involved, the owner of the dog who started the fight may not return until arrangements are made to settle costs. If your dog regularly gets into fights, do not come into the Dog Park.

17.8 Swimming Pool Rules: The swimming pool rules, which are also posted at the pool area, must be observed by residents and guests. The Florida Department of Health swimming pool regulations are incorporated in these rules.

Please respect the maximum capacity of the pool, as posted at the pool pursuant to County Health Department regulations. The Community will not be responsible for injuries incurred due to disobedience of these rules.

- 1) **NO LIFEGUARD ON DUTY.** Swim at your own risk.
- 2) The pools and hot tub are only for residents of the Community and their registered guests.
- 3) All persons using the pool or hot tub do so at their own risk. Management does not provide a pool monitor.

- 7) Diapers are prohibited in the pool and hot tub, except for swim diapers or swim pants. It is recommended that persons wearing swim pants or swim diapers should plan regular changes and frequent trips to the restroom (approximately every 30 to 60 minutes). Fecal accidents are a concern and an inconvenience to both pool operators and pool patrons. Temporary pool closure may be necessary for proper disinfection and protection of the health of swimmers.
- 8) No oil-type lotions are allowed. Everyone must shower prior to entering the pool or hot tub.
- 9) No food or beverages allowed in the pool or hot tub or around the pool wet deck.
- 10) No drinking of alcoholic beverages is allowed in or around the pool or the pool area.
- 11) Persons with long hair should tie hair back to prevent clogging filtration system.

- 19) Pool/Hot Tub Hours: 8:00 a.m. to 10:00 p.m. Hours may vary based on maintenance requirements, seasonal variations, artificial lighting, or for safety reasons. Pool and hot tub will be closed for maintenance as needed.
- 20) Emergency Medical Services--dial 911.

19. COMMUNITY OWNER ACCESS TO HOME AND LOT

In an emergency situation, Community Management may enter a lot and/or home to prevent imminent danger to an occupant of the home or to the home itself. Additionally, at all reasonable times and subject to any minimum notice requirement of applicable law, Community Management may enter onto the lot for purposes of repair and replacement of utilities and protection of the Community but not in such manner or at such time as to interfere unreasonably with Home Owner's quiet enjoyment of the lot.

20. LIENS

To the extent permitted by law and contract, Community Owner will have a legal possessory lien on Home Owner's home located within the Community for any unpaid lot rental amount, including late charges and utilities, assessment of damages caused by Home Owner or guests, and for any other recoverable expense under these Rules.

21. COMPLAINTS AND NOTICES

All complaints to Community Management must be made in writing, signed and dated, and must be submitted to the Community office. If you have any complaints or recommendations, please discuss them with the Community Management. Avoid passing rumors on to others. Come to the office – we will be glad to do everything possible to correct problem situations. Community Management is not responsible for delivery of personal notes or messages.

22. MAINTENANCE REQUESTS

All requests for Community maintenance must: (1) be submitted to Community Management in writing at the Community office; (2) reflect the date of submission; (3) state the nature and location of the maintenance activity requested; and (4) be signed by the submitting Resident(s). Requests not submitted in conformance with this rule may not be acted upon by Community Management.

23. USE AND OCCUPANCY

The residential lot shall be used solely for the purposes of placing a home thereon for the residential use and occupancy of Resident. Without prior written consent of Community Owner, the lot may not be occupied by more than 2 persons per bedroom.

24. LIABILITY FOR DAMAGES

Community Owner shall not be liable for any loss of, or damage or injury to, the person or property of Resident, any member of Resident's household or any occupant, guest, or invitee on the residential lot, caused by but not limited to: (a) any condition of the lot; (b) any act, fault, or neglect of any Resident, a member of any Resident's household, or any occupant, guest or invitee of any Resident or of any occupant of the Community, or of any trespasser; (c) fire, water, steam, rain, hail, wind, flood, sewerage, odors, electrical current, insects, mold, mildew, fungus, or any act of God; or (d) theft or embezzlement, unless any of the foregoing was caused by Community Owner's active or willful misconduct. Resident does hereby indemnify and hold harmless Community Owner, its affiliates and its and their officers, directors, employees, assigns, and agents from any loss, cost, damage, or expense arising out of any claim or cause of action asserted by any person because of any loss of, or damage or injury to, the person or property of any person caused by any act, default, or neglect of any Resident, member of Resident's household, or occupant of the lot, or of any guest or invitee of any Resident or occupant of the lot.

25. INSURANCE

Home Owners are required to obtain and to maintain liability insurance; homeowners' insurance; and personal property insurance, if necessary, to protect themselves, their homes and the contents thereof, any other

household members, and visitors or guests of any nature, against loss or damage of any kind arising from placement of the home within this Community, or from occupancy of such home while it is in the Community. A copy of the declaration page from Home Owners' insurance policy shall be given to Community Management each year. Community Owner does not maintain any insurance which would cover personal injuries or damages occurring on a Home Owner's lot or within a Home Owner's home, or for reimbursement to the Home Owner for the loss of the home or personal property. Community Owner reserves the right to waive the requirement for Home Owners to have one or more types of insurance coverage specified above if such insurance is not reasonably available for purchase by Home Owners. Violation of this rule shall not be grounds for eviction under Chapter 723, Florida Statutes, of any Home Owner in the Community as of the effective date of this rule. However, a Home Owner who purchases an existing home in the Community or otherwise establishes a new tenancy after the effective date of this rule shall be subject to eviction under Chapter 723, Florida Statutes, for failure to comply with this rule in its entirety.

26. FLORIDA STATE LICENSE DECAL

All Home Owners must maintain current state registration decal on their home. Current state license decal(s) shall be conspicuously displayed on the home at all times. Please place it in the lower left-hand corner of a window which faces the street and display the current year only.

27. GOVERNING LAW

Community Owner-Resident relationship created by the Lease Agreement and these Rules shall be governed by applicable federal law and the law of the State of Florida. It is the intent of Community Owner and Resident to comply with applicable laws and that applicable federal and State law shall override any provision of these Rules that may be contrary to same.

28. SUBLEASING AND RENTING

28.1 No portion of the residential lot or home may be subleased, rented or leased by Home Owner without the prior written consent of Community Owner, which consent may be withheld, delayed or denied by Community Owner in its reasonable discretion. Without Community Owner's written consent, any such act shall be void and shall constitute a default by Home Owner under the Lease Agreement. Neither residential lot leases nor home leases are transferable. If the home is subleased without written authorization of Community Owner, no such subleasing, occupancy or collection of rents shall be deemed to be a waiver of this provision, or acceptance of the subtenant or occupant as a tenant, or a release of the Resident(s) from further performance by Resident(s) of the provisions of the Lease Agreement and these Rules.

28.2 When a third-party or tenant rental exception to the owner-occupied rule above has been approved, all occupants of the home must be properly screened and approved for residency prior to their occupancy of the home, and each occupant or tenant over the age of eighteen must sign a copy of the Rules and Regulations. (See rule regarding Residency). A written agreement must be executed between Home Owner and Community Management regarding such third-party or tenant rental. Home Owner remains fully responsible to the Community for payments due under Home Owner's Lease Agreement. All third-party or tenant rentals are unauthorized unless prior written approval of Community Management is granted. Further, notwithstanding the right of Community Owner to allow subleasing in the Community, nothing in this rule compels Community Owner to do so, and Community Owner in its sole discretion may refuse to allow subletting at any time.

29. LEASE AGREEMENT TERMS AND CONDITIONS

A written Lease Agreement will be required of all new Residents prior to occupancy. The prospectus and these Rules and Regulations are deemed incorporated as terms and conditions of the Lease Agreement. Resident shall not assign the Lease Agreement, or any interest therein. In the case of automatically renewing lot leases that do

not otherwise provide that they are assumable, with the prior written consent of Community Owner, the purchaser is allowed to assume only the remainder of the lot lease term in effect at the time of sale.

30. ENFORCEMENT AND EVICTION

30.1 Prior to admission to this Community, each prospective Resident must sign an acknowledgment that they have read, and that they understand and agree to be bound by, the Rules and Regulations as set forth herein. Please note that ignorance of a Rule and Regulation is not an excuse for violation. Every effort will be made by Community Management to ensure that the Rules and Regulations are enforced and that your safety and comfort are not disturbed. Your cooperation is essential in providing you and your neighbors a peaceful and enjoyable Community.

30.2 Compliance and enforcement of Rules and Regulations is a matter between Community Management and the offending Resident, and as such, no other home owner or resident has any right against Community Management relative to enforcement of the Rules and Regulations against another resident.

30.3 Community Management will contact Residents who violate a regulation by means of a personal visit, a telephone call, or a Notice of Rules Violation issued in accordance with section 723.061, Florida Statutes. It is expected that all Residents will correct the violation in a timely manner in accordance with section 723.061. Repeated violation could lead to possible eviction proceedings in accordance with applicable law.

30.4 A home owner, tenant, occupant, or the home shall be subject to eviction in accordance with the procedures set forth in Chapter 723, Florida Statutes, and as amended. The grounds for eviction on the filing date are summarized as follows:

30.4.1 nonpayment of lot rental amount;

30.4.2 conviction of a violation of a federal or state law or local ordinances, if the violation is detrimental to the health, safety, or welfare of the other residents of the Community;

30.4.3 violation of a Community rule or regulation, the Lot Rental Agreement, or Chapter 723, Florida Statutes;

30.4.4 a change in the use of land comprising the Community or any portion thereof; or

30.4.5 failure of the purchaser, prospective tenant, or occupant of a home situated in the Community to be qualified as, and to obtain approval to become, a tenant or occupant of the home, such approval being required by these Rules and Regulations.

30.5 Pursuant to Section 723.061(1)(e), Florida Statutes, if a purchaser or prospective tenant of a home occupies the home before approval is granted, Community Management may require that the purchaser, prospective tenant, or unauthorized occupant vacate the Community within 7 days of receipt of a notice demanding same.

31. DRONES

For purposes of this rule a drone is a powered, unmanned, aerial vehicle that (1) uses aerodynamic forces to provide vehicle lift; (2) can fly autonomously or be piloted remotely; and (3) is designed to be recoverable, and is also referred to as an "unmanned aerial vehicle" or an "unmanned aircraft system." A Resident or guest shall not be permitted to fly a drone within the Community unless such drone (a) is registered with the Federal Aviation Authority to the extent required by law; (b) is operated by an individual duly licensed by the Federal Aviation Authority to the extent required by law; (c) is only flown and utilized in accordance with Federal Aviation Authority and/or other applicable governmental requirements; (d) is flown within the Community in a manner not to interfere with any other Resident's reasonable expectation of privacy with respect to such Resident's person or property; (e) is

not utilized in any fashion to spy or otherwise peer into the home of another home owner; or (f) is not utilized to harass any Community Resident or guest including with respect to private property; and (g) is utilized in a manner not to cause injury to person or property. The operator of a drone shall be solely responsible for any injury to person or property which results from use of such drone. An owner's failure to comply with this rule shall constitute a nuisance under this rule. Upon discovery, the Community shall deliver written notice of such violation of the subject owner, and the owner shall immediately cease and desist all such offensive activity. In no manner shall the Community Owner be deemed to be a guarantor or protector of an individual's right to privacy with respect to any drones that are flown within the Community, and Community Management shall only undertake any action under this rule (a) upon Community Management's direct knowledge and evidence of a violation; or (b) following receipt of a written claim from an offended owner and subsequent inspection by Community Management and determination of a violation. This rule shall in no way limit the right of a home owner's private right to damages for any violation.

32. WAIVER

No waiver of any default by Resident shall be implied from any omission by Community Owner to take any action with respect to the default if such default persists or is repeated. No express waiver shall affect any default other than the default specified in the express waiver, and that only for the time and to the extent stated in the express waiver. One or more waivers of any covenant, term, or conditions of the Lease Agreement or these Rules by Community Owner shall not be construed as a waiver of a subsequent breach of the same covenant, term, or condition. The consent of Community Owner to any act by Resident requiring Community Owner's consent shall not be deemed to waive or render unnecessary Community Owner's consent to any subsequent similar act by Resident. The rights and remedies of Community Owner contained herein are cumulative and shall be in addition to those prescribed by law.

33. SPECIAL EXCEPTIONS

Community Management reserves the exclusive, unrestricted right to grant special exceptions to these Rules when, in the exclusive opinion of Community Management, special circumstances warrant the granting of special exceptions or written waiver of a particular provision as it applies to a particular Resident or Residents, so long as such exception or waiver does not interfere with the general welfare, health and safety of the other Residents of the Community. For example, variances to these Rules may be granted by the Community Management due to space limitations, design considerations, in cases where the intent of a Rule or Regulation is met but not the specific requirement, or in such other circumstances where the exception will not disturb the quiet enjoyment of the Community by other Residents, or when the basis for the variance is deemed sufficient in the discretion of Community Management.

34. SURVIVAL

If any portion of these Rules is found to be void or unenforceable by a court of competent jurisdiction, the balance of these Rules shall remain in full force and effect, so long as the general intent of the parties continues to be met. To the extent State or local law is inconsistent with any terms of these Rules, such State or local law shall control the relationship between the parties hereto.
