Message from the Desk of Carolyn Keithley

Forest Lake Estates Homeowners' Association (FLE HOA) President

Here we are in 2023! I'm wishing for a much better year than 2022, it was a rough one for a lot of people. Our park has also seen quite a bit of turmoil over the year. Really hoping for those issues to settle down real soon.

Our HOA election time is just around the corner. I'm encouraging everyone to come out and vote. Mark Matthews and Steve Bushey have decided not to run for re-election this year. I want to thank them for the service they have given to the HOA and to our park. Mark has served our park for many years and has always been there to assist everyone. Steve came on to the Board to fill a vacancy and has done a fantastic job handling the social and activity side of things. When you see these two individuals out and about, take a moment to thank them for a job well done. I want to let everyone know that I will be remaining on the Board to fulfill my term but have decided not to accept the position of President. The last year has been a hard one for Harold and I. I have enjoyed serving our community as your President. Thank you to everyone on the Board and throughout the community that has assisted me. Your support has been phenomenal. Following the announcement of the election results at the January General meeting, the Board will meet and elect the officers. The results of that meeting will be announced shortly thereafter.

By the time you are reading this, I hope that our pool issues are resolved. The supply chain issue that seems to have had an affect on all of us in some way, has created a major problem for our most used amenity. Trash collection also continues to be an issue. I can assure you that our park manager, Vickie Moore has been working very hard to try and put a vendor in place.

At the last General meeting, Mike Black asked that anyone who files a concern form through the office, to please be sure that a member of the Board receives a copy of the form you hand into the office. If the Board does not know about the problem, then we can't follow up with the manager. We are your voice. We try to intercede and help to have the problem resolved in a timely manner.

Our "Christmas elves" were busy this year delivering Christmas cards throughout the community. A big thank-you to everyone who assisted. You all did a fantastic job, we appreciate the service you provided.

I want to take this opportunity to wish everyone a very Happy and Healthy New Year.

**FOREST LAKE ESTATES HOMEOWNERS'
ASSOCIATION GENERAL MEMBERSHIP MEETING**

The January 2023 meeting will be held on Thursday, January 12, 2023 at
10:00AM in the clubhouse.

Coffee and donuts will be served.

~ 2023 FOREST LAKE ESTATES ELECTION OF THE BOARD OF DIRECTORS ~

There are 4 positions open on the Board of Directors. There are 7 candidates; Garry Chickery, Wendy Coache, Patricia (Pat) Fletcher, Arthur (Art) Hayden, Virginia (Ginny) Preble, Ed Stokes and William (Bill) Wiseman, running for the 4 open positions.

You are voting to fill the open seats on the Board of Directors. After the votes are counted, the candidates receiving the top three vote counts will fill the 3 three-year positions and the candidate with the 4th highest vote count will fill a two-year position.

The election will be held on January 11, 2023, in the stage side of the clubhouse. To make sure everyone who wants to vote has an opportunity to vote, there will be a morning session from 10am - 1pm and afternoon/evening session from 4pm - 6pm. **The clubhouse will be closed to all activities for that entire day.**

Absentee ballots are available. If you wish to vote by absentee ballot, please contact Nancy Matthews to obtain a ballot and absentee voting instructions. Absentee ballots must be completed as outlined in the instructions and must be received prior to January 10, 2022.

Results of the election will be announced at the HOA General Meeting on Thursday, January 12, 2023. Once the new board members have been announced, the new Board of Directors will then meet to elect the officers of the board.

Meet the Candidates

Garry Chickery - I have been serving on the board since 2020. I am an Air Force veteran of 24 years, after which I worked in the family office furniture business. We moved to Forest Lake Estates in 2017. I was appointed to the FLE HOA Board in 2020 and was then elected in 2021. After the election, I was nominated and accepted the position of membership/directory director. During my tenure on the board I have been working very hard to streamline the membership process and save this HOA some money on printing, etc. In addition, I have also been a team player, stepping up to sell tickets, work in the kitchen and volunteer for other various functions. During a summer meeting with ELS, by asking a simple question, the ball got rolling to get an upgrade to our outdated bingo system. If you choose to reelect me, I will continue to work very hard for the community.

Wendy Coache - I am the current secretary of the FLE HOA. I am a snowbird and have been at FLE since December 2011. I have served on the board in the position of Secretary since January of 2017 and have been editor of the newsletter since February of 2020. The by-laws for this association clearly state that no member of the Board of Directors may serve more than three (3) consecutive terms on the Board. That said, should you reelect me, I will spend my final term assisting with the transition of the job of secretary to someone new. Thank you.

Pat Fletcher - I came to FLE in June of 2022 . I was a teacher for 31 years in the area of Secondary Language Arts. I also worked for the City of Trinidad, CO. in the capacity of police officer for 23 years. I have one son, Brian, who is married and living in Denver.

My civic commitments are; Council person on the City of Trinidad CO city council, President of the Carnegie Library Board of Directors as well as the Trinidad Area Arts Council, Noah's Ark Animal Welfare Association, and Trinidad Children's Museum, Chairman on the Trinidad Arts and Culture Advisory Board as well as the Creative District Board of Directors, and the Trinidad Parks and Rec Advisor Board. I was a member of the Colorado DARE Officers Association State Board of Directors, the Las Animas County E911 Board and Trinity Credit Union Board of Directors and the Rotary Club.

I am new to the community but seasoned in boardsmanship. I am familiar with the policies of the HOA board and the park. I am pretty good at conflict resolution, a good listener, and committed to civic duty. You can depend on me if I am elected.

I would like the HOA to arrange chartered bus trips to assorted entertainment destinations. I see a need for a defibrillator in the clubhouse for one and at the hot tub and pool area for another. I believe we could all benefit from a Red Cross CPR and Heimlich maneuver class. A pet waste dispenser in the dog park would be welcomed. A computer lab with a computer, printer and copier here in the clubhouse would not be that expensive. I realize that the HOA is very conservative with the money, but much could be done for not that much cost.

Arthur (Art) B. Hayden - I am a full time resident and have been for approximately three years. I am a strong believer in volunteer leadership methods and fully support the HOA here. I believe I have the focus, leadership skills and commitment to take on the responsibilities of this leadership position.

I have significant prior experience in leadership positions in a variety of volunteer organizations ranging from Service Clubs, Religious Operations and HOA groups.

I would appreciate an opportunity to serve on this HOA and deliver the results the membership expects and deserves, Please support my candidacy by voting for me at the January election.

Thank you.

Virginia (Ginny) Preble - I was born and raised in the small town of Dover-Foxcroft, Maine. My husband David and I moved here in December of 2019. We have been married for 37 years and have two wonderful children that still live in Maine. I have been in the medical field for over 32 years. I currently work full time from our home here on Forest Lake Drive, supervising 9 inpatient coders that review and code medical records for 10 hospitals in Maine.

I really enjoy our community here at Forest Lake Estates and have made many friends. I enjoy volunteering and being active in the community. I'm a volunteer on 2 sandwich night teams, Friday Fish Dinner and help when I can on the dinner dances. This fall I started up a beginner line dancing class which runs twice a week. The classes are going great and we have lots of fun.

I have held other board positions in Maine, which included Selectmen for the Town of Charleston for 5 years and the School Board for 6 years when our children were in school. I thoroughly enjoyed those opportunities and feel that I can make sound, common sense decisions which will benefit the majority of our residents. Thank you very much for your support and consideration.

Ed Stokes - My background consists of Sales, College Recruiting, Public Speaking and 33 years as a retired Air Force veteran. I am looking to be a connection from the residents to the management of FLE. I feel the residents need a stronger voice within the HOA board. Get-togethers, parties and social events are greatly needed and appreciated in any community.

I feel the residents should be aware of business, financial, veteran and retirement benefits and other issues that impact the senior community. We have a great place to live and need to continue to let our needs and concerns known. I will be that voice for you. I believe that meetings, discussions and concerns should be open and transparent to all residents. This eliminates hear-say, rumors and miscommunication with all concerned. When you vote, you are voting for yourself because you are part of this process, community and result. If you want CHANGE...VOTE FOR CHANGE.

Bill Wiseman - I am a full time resident of the park. I am a Veteran, retired from the US Navy. I am a retired Special Education teacher. I have been involved in the community by volunteering with the recycling program and have assisted the activities committee with ticket sales.

My previous experience has been as a 25 year member of an Assessment review board, where the board took grievances from town residents regarding property taxes, considered evidence and rendered corrections where possible.

I was on the Board of Directors of Heritage Financial Credit Union (six hundred million dollars) Treasurer and policy chair for 20 years. I was also a Cub Master, a Scout Master, Past Commander of Amvets Post, Past Commander of VFW Post and Past Commander of American Legion Post. Thank you.

STROKE IS SUDDEN TEST FOR PEACE OF MIND!

According to the National Stroke Association, stroke is the third leading cause of death in America and a leading cause of adult disability. Stroke has no symptoms. It can happen to anyone at any time, regardless of race, sex or age. While it is possible to reduce risk of stroke by choosing a healthier lifestyle, the best way to prevent stroke is to get screened.

In less than one hour you can avoid stroke and other life-threatening diseases by participating in accurate, affordable ultrasound screenings. Schedule with a company your peers know and trust!

DECEMBER 3, 2022 CHRISTMAS CRAFT SHOW REPORT

THANK YOU to the over 30 some volunteers who helped make our December 3rd annual craft fair a HUGE success. Without all of their help this could not be accomplished. The clubhouse was closed to activities at 3:00 on Friday and a crew came in and tore down the round tables and chairs and set up the long tables for the vendors to display their wares on. Most of the vendors came in Friday evening from 6:00 til 9:00 and got set up and organized for Saturday morning. On Saturday at 1:00 a crew came in to tear down the long tables, a lady to run the sweeper, several removed the trash and then the round tables were reset, restoring the clubhouse to its normal layout. We had someone at the front gate on Friday evening to let the vendors in and 2 people in the clubhouse to help the vendor's locate their space and bring in their merchandise. On Saturday there were 5 parking lot attendants in golf carts to show people where to park and to shuttle them back and forth to the clubhouse. There were 2 drivers to pick up donuts, a floor monitor to relieve vendors when they needed a break and a couple who played Christmas carols, creating a festive atmosphere for shoppers. In addition, we had a kitchen crew of 6, plus a cashier, raising \$562 for the HOA. They served donuts and coffee in the morning to our vendors , volunteers and shoppers. They also served a delicious luncheon of sandwiches and home made soups.

A big thank you also goes to all of our residents who came up and bought the wonderful gifts and decorations for the season, as well as other useful items for their homes. Those of you who didn't make it, missed a really nice display. We had a total of 79 crafters (12 who were new to our show) set up in 55 spaces this year , so we had a large variety of merchandise to choose from. Our resident bake sale was back again this year, set up on 5 tables in the screen room, making it easier to shop and see everything. Six volunteers manned the bake sale which raised \$860.50 for the Thomas Promise Foundation. The \$500 profit made from the show was donated to the local Zephyrhills Pregnancy Center.

The date for next year's show is December 2, 2023. We need a new Chairperson or perhaps Co-Chairs to head this up. I have written up all the information and dates to co-ordinate the project and will be happy to consult, but will not be able to lead the project next year.

Thank you, Nancy Matthews. Chair

Oh No, Thank YOU Nancy Matthews

The residents and the HOA Board of Directors would like to thank Nancy for overseeing the annual Christmas Craft Fair. Nancy has held this position for a number of years and has always organized an excellent show. She has told us that this will be her last year as Chairperson of the Craft Fair and we want her to know that we appreciate all she has done with this event. She has offered to provide advice to anyone who steps up to take on the job of coordinating the craft fair. Without a new chairperson, there will be no craft fair in 2023. Please reach out to Nancy if you would like to be the new chairperson.

Once again, thank you Nancy for a job always well done.

And Still More Thanks

Craft Fair Bake Sale

Thanks to all who donated their favorite goodies, the Forest Lake Estates Bake Sale tables were full of delicious homemade baked goods!! By the end of the craft fair all items had been sold. The sales of the baked goods, along with some cash donations, helped us to raise a total of \$860.50 for the Thomas Promise Foundation.

Thank you to all the bakers, volunteers and shoppers for a very successful day and thus adding 2022 to the list of successful FLE Christmas bake sales. Next year the craft fair and bake sale will be held December 2. Mark your calendar.

PLAY PROCEDURES

- On **ODD** numbered weeks, the designated player **#1** will putt all ODD holes first.
- On **EVEN** numbered weeks, the designated player **#2** will putt all ODD holes first.
- Replay the hole if a player plays out of turn, and it is recognized before group leaves the hole.
- If more than **two** holes are played out of turn, the entire match must be replayed.

BASIC RULES OF PLAY

1. **NEW:** Tee area for each hole is located behind the first set of bricks, not inside the bricks.
2. Maximum number of strokes to be scored per hole is **6**. Max number of strokes posted per team, per round is **54**.
3. If the ball is within the course, and rests **near** a sidewalk, rock, brick, or item on the course which hinders your backswing, you may place the ball six inches from the obstacle without penalty. You may not place the ball any closer to the hole. As a guideline, six inches (6") is about the length of any US paper currency.
4. If a putt is hit off the course, it is a one stroke penalty. To proceed; place the ball where it left the course, but no closer to the hole. Your partner hits the next shot.
5. If a putt is hit into and then comes to rest within the white stones (Holes #2, #11, & #13), return the ball to the tee. It is a one stroke penalty. Your partner hits the next shot (3rd shot) from the tee area (*behind the first set of bricks.*)
6. Ball stuck under the bridge on hole #14; pick up and place the ball on the designated "X". *No stroke penalty.*
7. **NEW:** Accidental tapping of the ball on the course counts as one stroke. Next player hits from that ball position.
8. **SKINS:** No more carryover Skins week-to-week. All holes with multiple teams who have canceled each other out are now placed in a drawing, except Hole #8. The winning hole participants will equally split the week's Skins' pot.
