Message from the desk of HOA President Carolyn Keithley

I hope everyone is enjoying their summer. First, I want to thank everyone for the meals, cards, flowers, donations and the overall kindness and concern shown to Harold and I following the death of our son. This park is amazing and we could not have better friends.

There has been a lot going on in our park. The HOA totally understands your frustration, but Vickie Moore, our park manager has been working very hard to handle the issues and do the best for the residents. We have been working closely with her and assisting in any way we could. In fact, just last week, Garry Chickery and his lovely wife Linda assisted the maintenance team with garbage pick-up. We should all thank them for pitching in.

I want to take this opportunity to just mention a few things that I think some of our residents have forgotten and possibly the new residents aren't aware of. There has been a lot of overnight parking on the streets. We have also seen a lot of “things” including boats and trailers. Our streets are not the widest and with vehicles parked on the street, it creates a safety hazard if emergency equipment is needed.

Another point of concern is owners renting their homes to individuals who do not meet or cannot pass the requirements of the park; age, no children, background checks. Please take a few minutes and review the rules and regulations.

I hope everyone enjoyed the July 3rd get together. Mother nature wasn't very kind, but I think everyone had a good time. Please watch for upcoming events, music, dance, and of course a Labor Day celebration. The HOA enjoys doing activities for our residents, but remember, it is the volunteers that make the activities run smoothly and we are always looking for additional volunteers. ELS has been assisting with expenses for activities and for supplies for the upkeep of Memorial Park. I want to thank Steve Bushey for handling the social side of things. You have been doing a fantastic job Steve.

If you are a veteran residing in the park, please be sure that you contact Garry Chickery and let him know you are a veteran. We are preparing in advance for Veterans Day in November and want to have an accurate count of how many reside in FLE.

The fall season will be here soon and I look forward to the return of our snowbird family. Until next month, everyone stay safe and healthy.

Carolyn Keithley,
FLE HOA President

Recycling Update

On Saturday, July 16th, the recycling committee initiated a trial collection of plastic and cans in addition to the regular cardboard and newspaper. The idea was promoted by Bill and Nancy Wiseman. The program was a huge success. Approximately 27 residents brought cans and plastic to the event. It all was loaded on trucks volunteered by Bill and Nancy and a second truck by David and June Hineman. It was all taken to the Handcart Road Transfer Station. Thanks so much to all who participated.

We will continue the weekly paper and cardboard every Saturday, 10:00 to 12:00 and hold plastic and cans collection again on July 30th, and evaluate future events. If you need help delivering paper or cardboard or plastic and metal cans, please call Janice Collins, 813-788-5678 for arrangements.

Volunteers are needed to make this a success. Thank you.
