Message from the Desk of Carolyn Keithley

Forest Lake Estates Homeowners' Association (FLE HOA) President

It's hard to believe that the last holiday of summer is here. Where have the months gone? It's sad to see our park without many of our friends. A lot has been going on in the park and it has kept your HOA very busy. We are trying to do what is best for every resident in this community. We were just as surprised as you were when we received the proposed Prospectus changes. We have been meeting with ELS monthly for over a year now and very little has been accomplished. I have not been out and about very much this year and the last month has been trying. I think I am finally recovered from my surgery and look forward to getting back out in the community and socializing with the residents of our community.

The HOA Board of Directors are encouraging our residents to complete resident complaint forms if there are things within the park that are breaking our rules and regulations or you are dissatisfied with how the things in the park are being handled by ELS. We have been trying to have the rules and regulations enforced, but it is difficult and we are not the "police" for ELS. Remember that the HOA does not control things within the park. ELS owns this park and they are the people that are to keep our park looking good and enforce the rules. I want to thank our secretary Wendy Coache for composing and sending out the emails and correspondence to try and keep our residents informed. So, thank-you Wendy for all your hard work and commitment to the HOA and the residents of Forest Lake Estates. There are so many new residents in our park, so if you are receiving the emails and correspondence, please share it with someone you know who does not have access to email or we do not have their email address. We are hoping to get back to having our General meetings in the near future.

I hope everyone has had an enjoyable summer and has remained safe with good health. Happy Labor Day and be sure to enjoy the last holiday of summer.

Resident Concern Forms

All concerns to Community Management must be made in writing, signed and dated, and must be submitted to the Community office. Although we know the process can be cumbersome, it would benefit all of us, if, when you have a concern, you complete the Resident Concern Form, bring the completed form to the office, have them sign and date the form (this acknowledges receipt of the form) and ask for a copy. If you would also provide any member of the HOA Board with a copy, we will then have a record and paper trail which we can use to follow up. We cannot stress this enough. The paper trail is important when there is no response to a written concern.

Lending for Little Ones

It's nice to be prepared for our little visitors. Lending for Little Ones is still here. We currently have people signed up with a variety of items that are available to lend to others. We can meet most needs. We have strollers, porta cribs, car seats, water wings and much more.

We still need volunteers who are willing to lend items to others. If you are able to lend items, please contact me so that I can add your items to the list. If you need to borrow something we will try to accommodate you.

Those interested in lending or borrowing, please contact me at 813-753-7099 or email me at ann.kubiet@gmail.com.

Thank you, Ann Kubiet

Update Putt Putt Course Memorial for Vince Boido

Vince Boido was the founder and leader of the Party Hardy Putt Putt League, one of the largest activities in our park. A Granite Bench has been ordered to be placed on the Putt Putt course in memory of Vince. It will take ten months to a year for delivery of the bench. We continue to accept donations for this memorial bench. If you would like to donate to this memorial, you may bring or send your donation to Jerry Tacey or Mike Reid.

There is no set amount for the donation, please donate what you are comfortable with.
