Message from the Desk of Mike Black

Forest Lake Estates Homeowners' Association (FLE HOA) President

Hello Forest Lake Estates. Summer is upon us once again. Summer brings the rainy season which brings some challenges, deep puddling in places and higher than normal grass in others. At a recent meeting with Vickie we addressed some of the issues and I want to share our discussions with you all.

We expressed concern over the water that puddles on Naples and other streets around the community when it rains. Vickie sent some of the maintenance crew out check on the situation. The crew found that some of the drains going to the drainage ditches were clogged. They cleared some of the clogs and water started to run out of the drain to the drainage ditch. The maintenance crew believe that there is more to the problem, so Vickie informed us that she has contacted with a company to come in and figure out the causes of this and resolve the situation.

The deep cleaning of the kitchen in the clubhouse has been completed. The job was done very well and we are very happy with the end results.

We asked about the pumps in the lake and were told that the electricians came out to look at the pumps and determined that they have been hit by lightning. Vickie has contacted with the manufacturer of the pumps to have them replaced.

We also spoke to her about the pickleball courts being installed on the tennis courts. The prospectus reads that the pickleball courts are to be placed up on the hill so that is where they will be putting them.

Our social committee and activities committee have been very busy at planning a wonderful summer full of activities. This is what the summer residents have asked for and I think you will be very excited and have a great time with the stuff that they have planned for you to do. Please come out and support these committees.

I hope all our snowbirds are having great summer fun in their northern homes, and to our full-time residents I say, let's have a good time here at FLE.

Thank you
Your president, Michael Black

RECYCLING UPDATE

Beginning Saturday, July 1st. Paper and cardboard hours will change to 9 am to 10 am every Saturday.

Plastic & Tin Can Recycling has been suspended for the Summer.

Anyone who would like to volunteer their time to help at the recycle center for 2 hours one Saturday per month, it would be greatly appreciated. Please contact Janice Collins at flerecycling@gmail.com or call 813-788-5678 to provide me with name and email address.

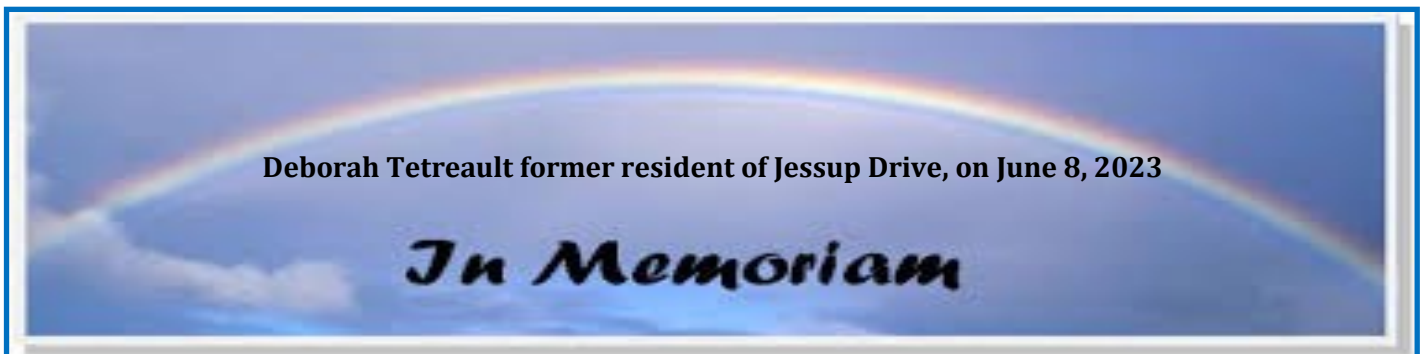

CANS FOR KIDS: Aluminum cans (soda and beer) may be placed in the wagon at 6450 Presidential Circle, and in the clubhouse in special bins marked "recycle cans" and on the patio outside the pool. Cans must be empty and clean. The proceeds from this project go to a "Children's home" to support their activities. Cans may be crushed.

Welcome New Residents
