Message from the Desk of Carolyn Keithley

Forest Lake Estates Homeowners' Association (FLE HOA) President

I want to take this opportunity to thank Rick Schlager for his time, commitment and service on the Forest Lake Estates HOA Board of Directors. Rick was very proactive; always trying to stay ahead of the game to look out for the residents of our park. He and his wife Anne were always there to assist with whatever was needed, whether it was setting up for an event, clean-up, running errands or chairing an event. As our availability of team leads decreased, they were there to step up and take on a dinner or two. Thank you, Rick and Anne for everything. You will be very missed from the Board of Directors and from Forest Lake Estates. We wish you well in the next chapter of your life.

We discussed many things at our March General meeting. Vice president Mike Black and the pool committee are finalizing a proposal to take to ELS management for our 2021 CapEx project. Mike and the committee have put in a lot of hard work and research to put together the proposal. If you see them around, please be sure to thank them. A thank-you is very easy to give to any of our volunteers and much appreciated to hear.

Since our meeting we have met with ELS management to follow-up on some concerns we brought to their attention. Here are the updates: Linda Tolantino, manager from Crystal Lakes is filling in until Peggy Cortes returns from maternity leave, probably the end of April. Noel has been hired and is replacing Linda. A new front desk person has been hired but has not yet started as of this writing. Sydney Morris, Regional Manager will be more visible, and present should we need assistance. The fence around the new 27-acre project on Gateway Drive is going up and our new walk-in freezer/cooler should begin the end of April. Beginning April 1st, if you have a remote (clicker) for the front gate, it will no longer work. Some residents are using the remote to try and open the exit gate. When they do that, it opens the entry gate instead and the entry gate will not close until a car passes through that gate. That is why the entry gate is sometimes standing open.

I understand the frustration that we all are feeling with the changes made due to the Coronavirus. We are sorry that our northern friends and "family" have left to return home and wish everyone safe travels and good health. We look forward to your return in the fall. The precautions that have been established in the park are for the best interest of our residents.

President's Message (continued from page 2)

These precautions and guidelines are not ELS only. These same precautions are throughout the USA and the world. MH parks throughout the country are experiencing the same regulations we are. We are the vulnerable age group for this virus. If someone in our park should contact this virus, it could be devastating to us all. Social distancing is very important and is difficult to maintain if we have our amenities available. Let's just remember that everything we do now, with God's grace, assures that we have another season with our friends and family members.

I want to thank Wendy Coache, HOA secretary for assisting ELS with posting any new updates for our community. Wendy, you are awesome, and we are so lucky to have someone who does the wonderful job that you do with whatever the project.

I received a lot of wonderful comments following my first meeting as your President. Thank you everyone. My goal while I serve as your President, is to be there for you. I am looking forward to working with the Board and our HOA members. Together we can make this the best community for all of us.

Carolyn Keithley
FLE HOA President

From the Editor

Considering the impacts of the Coronavirus to our community, I would like to share that this newsletter is being put together with the information we have at the moment. Currently, we are in a position where all activities have been cancelled and we do not know when this will change. The newsletter includes information on upcoming meetings and activities that may or may not happen. When we can resume our normal activities, information, as well as updated calendars, will be sent via email, added to the Community News Facebook page and posted on the bulletin boards at the mailboxes and at the main entrance to the clubhouse. We hope that things will be back to normal soon.

This will be our last full newsletter (including ads) for the season. We will produce a condensed version each month to keep residents up to date with the happenings in and around our community. You are welcome to submit items for the newsletter, I just ask that you send them before the 20th of each month. Please continue to submit them to email address.....flehoa.secretary@gmail.com. Thank you and have a great summer.

Please DO NOT
place any LIQUIDS on or in
the piano in the Clubhouse .

We thank you for respecting this property.

FOREST LAKE ESTATES HOME OWNERS' ASSOCIATION GENERAL MEMBERSHIP MEETING

The April meeting will be held on Thursday, April 9, 2020 at
10:00AM.

Message from Social Director —Julie Glenna

We are fast approaching the close of our season with all of this seasons events. We look forward to the summer events for all of our permanent residents, Mother's Day and Father's Day Breakfasts and our many Pot Lucks throughout the summer.

We also have many events planned for next season already.

I would like to thank all of the residents who volunteered this season as they made all of our events special and enjoyable to our community. They have fun with their groups and their hard work is much appreciated. Without our volunteer system we would not be able to hold the events we do. Therefore we are looking for volunteers for our Monday Night Sandwich event and our Saturday Night Dinner events. This is a wonderful way for our new residents to get involved and get to know others in the community. Please let me know if you wish to participate in any events that we do annually. We also can just put you on a volunteer list and when needed we can call you if your schedule allows. All help is appreciated. My contact information is Julie Glenna at 612-209-7418 or at this email address: flesocialcommitteechair@gmail.com.

Everyone travel back up north safely and we look forward to seeing you all again next fall. Have a wonderful summer. For all of our new residents, welcome to our community and we all look forward to getting to know you.

Julie

Lending for Little Ones

It's nice to be prepared for our little visitors. Lending for Little Ones is still here. We currently have people signed up with a variety of items that are available to lend to others. We can meet most needs, we have strollers, porta cribs, car seats, water wings and much more.

We still need volunteers who are willing to lend items to others. If you are able to lend items please contact me so that I can add your items to the list. If you need to borrow something we will try to accommodate you.

Those interested in lending or borrowing, please contact me at 813-753-7099 or email me at ann.kubiet@gmail.com.

Thank you, Ann Kubiet

FOREST LAKE ESTATES SHUFFLEBOARD

The shuffleboard season is winding down as the Snowbirds return to their northern homes (some earlier than expected). Summer shuffling routines will be resuming as the numbers of participants dwindle.

We were fortunate to have hosted our Fun Day on March 7th, with a terrific group enjoying some entertaining games followed by a delicious potluck lunch on the Patio. The winners for the day were Neta Den Otter and Davis Bryans. They were presented with the "Kirktown Memorial" trophy. The Runner Up participants were Cheryl Nealis and Willy Vanderwielen.

On March 9th and 10th FLE hosted the final 8 Park League tournament. There were 64 participants, many from our park and the RV park. Congratulations to our park winners as follows: Main event: 1st Gary McLean and Cheryl Nealis; 3rd Bev Disheau and Gerdien Dykman (RV). Consolation: 1st Willy and Nancy Vanderwielen; 2nd Henry and Leida Gerrits (RV). A delicious lunch was served in the clubhouse consisting of sloppy joes, sandwiches and yummy pies! Thank you to the many volunteers who helped with the tournament and during the 2019/2020 Shuffleboard season! Many hands make light work!!

On a sad note, our Shuffleboard friend, Ray Dion, passed away in February. He is survived by his wife Phyllis, and his extended family. The Shuffleboard club will be honouring his memory with the purchase of a special stone in the Memorial Park. Dedication will take place in the fall of 2020.

We wish everyone safe travels and good health in these days of uncertainty. We look forward to another fun season next year.

RECYCLING UPDATE: Recycling for paper and cardboard will continue for now on Wednesday and Saturday 10-12. To limit personal interactions, a new procedure will be followed during collection hours:

Smaller amounts will be deposited into plastic bins outside of the white doors.

Larger cardboard items should be laid on the ground or grass. It is imperative that cardboard has tape and metal staples removed, and cut flat into smaller pieces when possible. We are to avoid personal interaction as much as possible. We are uncertain of our plans going forward. We need more volunteers to step up and help with the collections from mid April to the fall. Without more volunteers, recycling will be reduced or eliminated for the summer months. Please contact Larry Shapiro 607-346-0217 or Janice Collins, 352-424-4196 to volunteer. Thank you

FOREST LAKE QUILTING 2020

Our final quilting day will be April 1! We've had a busy season, and looking forward to quilting here again next November!

Our Pillowcase day was a great success, thanks to all the volunteers who helped to stitch, pin, turn, fold, pickup and deliver all the beautiful pillowcases. These will put some smiles on hospitalized children in the Tampa Bay area! We completed 290 pillowcases in 4 hours, and had another 200+ partially completed. These will be delivered to the next pillowcase group!

Art in the Park ...with Judy Thiese

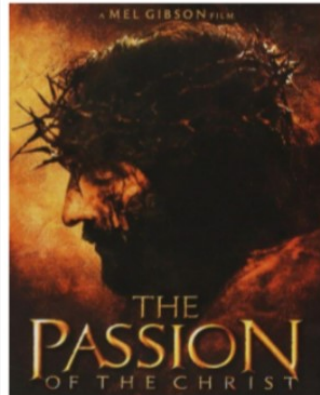

Hoarding... fear... travel... quarantine! All are words we are hearing a lot of lately and with good reason as the COVID-19 continues to invade our lives. But the word I like to expound on is "nostalgia." Today, I'm feeling more nostalgic than normal. I'm always sad to see our northerners leave us for their homes and family life elsewhere and equally glad to see them return in the fall. But this year is different... it seems there is a dark cloud hanging over each one of us and life is never going to be as casual as it once was. And then I look back at the pictures I've taken on my cell phone and suddenly I'm smiling. Probably 90% of the photos on my cell are of friends doing what we enjoy most... socializing... on the golf course, at the clubhouse or playing putt putt. And so many of my friends join me with paint and brushes at the easels. Today, it saddens me to say that Art in the Park and Paint with Judy are both done for the season. I don't know what the future might hold for each of us, but hopefully we will all return in the fall in good spirits and good health and this horrible COVID-19 will be just a bad memory. In the meantime, as long as Hobby Lobby remains open and allows me to work in their classroom, I will continue to teach Acrylics on Tuesdays at 10 am and woodburning on Saturdays at 1pm. The classroom is off the main shopping area and large enough to host tables seating 4 each with an empty chair between them for spaciousness and health. Provided we are not mandated to stay home, I will be there at those times and will work with whomever might join me or I will get some projects done ahead for next year when we can comfortably get together again. So for now, I wish all a happy and healthy spring and summer and look forward to less stressful times when we can get together again.

Meet Our Residents.....Mike and Jackie Black

From the desk of Judy Thiese

Today, as I write this column, it is with an air of sadness. While our snowbirds generally go home in late March or mid April, it just feels too soon to say good byes as we wish them safe travels and wishes for continued good health wherever their travels may take them. Typically, the park residents begin to settle in for the much warmer summer days and enjoy the pool and other club amenities in much lesser numbers. But today with this COVID19 threat lurking all around us, life as we expected and enjoyed has changed almost overnight. For our snowbirds, travel safe and stay healthy and we will look forward to your safe return in the fall when we can all hopefully resume the merriment of FLE park life.

And now, I'd like to introduce you to a couple who've lived in this park for the past 4years and who most might already know... Mike and Jackie Black.

Mike and Jackie hailed from Newark, Ohio, about 35 miles east of Columbus. They met as children growing up in the same neighborhood. Together they have 9 children, 16 grandchildren, 1 great granddaughter and another great granddaughter due in June. When how many years had they been married and who proposed, Mike said he started to propose... he bought the ring, he'd made plans to have a romantic dinner and visit a winery after where he would propose... but he got scared... he left the table momentarily only to rejoin her with ring in hand and offering it to her with birthday wishes. I've forgotten how long he said they've been together, but they been happily married for 13 years!

Many of us might know Mike as a recently elected member of our HOA Board or for his knowledge and experience as an electrician. Mike started his adult life in construction for 11 years before moving on to work on the train railway with Electric trains 3rd Rail 700V DC with Rockwell in New York. After 6 months he was offered a job as Electrician and worked there for 26 years.

Jackie worked with State Farm Insurance Operation Center where she met Janet Ansel. It was through her friendship with Janet that they learned of FLE and eventually found their home here.

Asked if either had a bucket list, both responded they would like to travel more, visiting each of our 50 states. Both enjoy camping and presently own a 42 ft. 5 th wheel camper which at this time is in storage. Asked about their future plans for travel both shared their 3C's... camping, cruising, and casinos. Presently, Mike and Jackie have already booked ahead 3 cruises... 1... the Panama Canal 2... Hawaii and 3 ... Carnival's 50 th Anniversary sailing amongst multiple ships in the midst of the Caribbean.

The question came to mind as to the most impressive or inspirational place either had ever lived or traveled. Their response was while they love the Key West lifestyle, the mansions in Newport Rhode Island were amazing and the House on the Rock in the Wisconsin Dells was outstanding with its carousels, Barber Shop nostalgia and miscellaneous artifacts and the outrageously delightful mannequins.

And Finally when asked about their plans for the future they said they would enjoy their family... the kids, the grandkids, and the great grandkids as much as possible while continuing to enjoy their 3 C's of travel on their bucket lists.

Mike and Jackie originally bought their 1 st home here in FLE on Jessup Street but have recently moved to their present location at 6246 Twilight Drive. So while you're out and about, as much as this COVID19 will allow, you might see them on the Putt Putt course or elsewhere in the Park, take time to stop and say hello and while you're at it, admire the flowers that adorn their home.

As our website name suggests we can book cruises, but also much more. We can book you on an escorted tour in Europe, a resort on a warm island or any other type of travel, including bus trips. We can also book travel for our Canadian friends. We are a franchise of Cruise Planners which has over 1400 franchises in the US. This allows us the competitive pricing of the big agencies and websites, but with a more personal touch. We also offer travel insurance not only for travel we book, but for any travel plans you may have. We look forward to meeting you whether you book for travel with us or not. Stop by or give us call.
