Signs of Spring—2021

Message from the Desk of Carolyn Keithley

Forest Lake Estates Homeowners' Association (FLE HOA) President

Spring has arrived and Easter is coming. We are hopeful for a better spring and summer than we had a year ago. It is hard to believe that we have been dealing with this COVID pandemic for a full year. While some of our FLE family were sickened by the virus, we are very fortunate to have not had any major outbreaks in our community. I want to publicly take this opportunity to thank Wendy Coache and her team of volunteers for the FANTASTIC JOB they did with organizing and handling the Covid 19 Vaccination Clinic. I also want to thank everyone who assisted other community members to help get appointments at other vaccination sites. Everyone has been so helpful during this difficult time.

A few quick updates from our monthly meeting with ELS. The construction on the expansion out front is going very well. The utility tie ins are almost complete and the perimeter landscaping has been completed. Homes have been ordered and will be arriving during the second quarter. Hopefully by the time you receive this newsletter, the construction of the new post office will be underway. Management has been working on completing the 360 inspections. If you receive a letter of work that needs to be completed, please follow through with the completion as requested. If we all do our part to maintain our homes and follow the rules and regulations, our community will look great. It was great to have the pool and clubhouse back to normal operational hours. Maybe normalcy is our future.

A few things have been brought to my attention by fellow residents over the last month. Rules for usage of the pools is posted on signs at the pools. Please, for the safety of all, follow the rules posted at the pools.

Ducks are a big problem here in the park. Please do not feed the ducks. ELS is working with a vendor to possibly arrange for the ducks to be trapped and removed from the park. The feces that they are leaving all over the park is creating a problem. The odor with the warm weather is unbearable.

Peggy Cortes, our park manager, had a baby boy. She will be on maternity leave for 12 weeks. Linda Prince, Assistant Manager is point of contact for most concerns during Peggy's maternity leave. Linda Tolentino from Crystal Springs is senior management during this time. She will not be on site all the time, but will be available if needed.

I want to wish everyone a Happy Easter. I hope you are staying safe and healthy. I am available if you have concerns or issues.

A Few Items from the Board of Directors

From the Editor

This will be the last full edition of the newsletter for the season. Advertisements will not be published from May through October, so hang on to this edition if you feel you may need to reach one of our advertisers over the summer. Also, as in past years, newsletters from May through October will be sent via email only. Home delivery will cease during the summer months. HOA members with no email access will still receive a hard copy through home delivery. The newsletter is always available online at FLE-HOA.com, the password to access them online is included in your newsletter email.

This newsletter is meant to be a vehicle where the HOA Board along with the HOA members can openly share information. Sometimes, the articles shared are really for the eyes of the HOA members only. If you have a question about an article in this newsletter and feel that you need clarification on something, please feel free to contact any board member or the editor. We would be happy to hear from you.

Articles, questions or announcements that you would like to see printed in the newsletter should be submitted by the 20th day of the previous month" (ie. May newsletter items should be submitted by April 20th.) Send all items to: **EditorFLEnewsletter@gmail.com**

Resident Concern Forms

All complaints to Community Management must be made in writing, signed and dated, and must be submitted to the Community office. Although we know the process can be cumbersome, it would benefit all of us, if, when you have a concern, you complete the Resident Concern Form, bring the completed form to the office, have them sign and date the form (this acknowledges receipt of the form) and ask for a copy. If you would also provide any member of the HOA Board with a copy, we will then have a record and paper trail which we can use to follow up. We cannot stress this enough. The paper trail is important when there is no response to a written concern.

A copy of the Resident Concern Form can be found in this newsletter on page 16.

Lending for Little Ones

It's nice to be prepared for our little visitors. Lending for Little Ones is still here. We currently have people signed up with a variety of items that are available to lend to others. We can meet most needs. We have strollers, porta cribs, car seats, water wings and much more.

We still need volunteers who are willing to lend items to others. If you are able to lend items, please contact me so that I can add your items to the list. If you need to borrow something we will try to accommodate you.

Those interested in lending or borrowing, please contact me at 813-753-7099 or email me at ann.kubiet@gmail.com.

Thank you, Ann Kubiet

Bloodmobile Returning on Tuesday, April 13th

Forest Lake Estates did such an awesome job at the February 9th Bloodmobile event that the Bloodmobile called us asking if they could come back in April. They will be here **April 13, 8:30AM to 1:30PM** in the clubhouse parking lot. If you donated on February 9th and donate again on April 13th you will receive a \$25 gift certificate to Carrabba's Italian Grill. All others will receive a Tie-Dye T-shirt and a \$10 e-certificate.

Who can donate blood? Well almost everyone. Naturally there are some exceptions but very few. Don't assume that you can't give because you couldn't in the past - things have changed. Show up and find out if you can help save a life by donating some blood.

For every pint of blood you donate you are helping 3 people in need. Due to the pandemic, blood donations are down.

PLEASE, PLEASE, PLEASE donate.

Walk-ins are welcome but if possible please make an appointment at:

<http://Oneblood/donate-now>. Then type in location of Forest Lake Estates.

"Thank You, Thank You, Thank You" For Your Blood Donations

As Someone who has recently received blood, I can't thank you enough. I was diagnosed with MDS, a severe type of leukemia, early this year. I have received four pints of blood since. Each time it makes me feel stronger and gives me the energy to live a semi-normal life.

I began chemotherapy March 1st. With treatment, I hope that I live long enough to see my birthday May 1st. In the meantime, I will most definitely need more blood. It is wonderful to know I am surrounded by neighbors who are donating blood to help people like me. I am so lucky to have called Forest Lake Estates my home for the last fifteen years.

Where It All Began

I was going through some boxes in my house to try to reduce the clutter in my office. I found this post card from back when my parents first came here in 1989 and thought I would share it. If not for this humble beginning, none of us would be here now. Notice the original size of the clubhouse and only one pool. Is your house in this photo?

2021 FLE HOA MEMBERSHIP CAMPAIGN

“YOUR VOICE IN THE PARK”

The purpose of the Forest Lake Estates Home Owners' Association (FLE HOA) is to ensure our membership and our perspective members are aware of the goals of our Association. We are now conducting our 2021 Membership Campaign.

Our mandate is to:

- Operate an Association encompassing the well-being of the business affairs of the Forest Lake Estates Home Owners' Association.
- Promote FRIENDSHIP and HARMONY between FLE HOA and the Park Owners, ELS .
- Ensure rent increases are REASONABLE AND WORTHY; and,
- Ensure ELS is in compliance with 723 F.S., the Prospectus, and all exhibits thereto.

While it is important to maintain a harmonious relationship between FLE Residents and ELS, it is also important to know that the FLE HOA stands firm on these mandates. All Forest Lake Estates residents have an investment that must be protected. The FLE HOA is the ONLY entity recognized by the State of Florida to represent all of the residents in the Park. The HOA works with ELS to assure that the park is maintained appropriately and to protect the best interests of all residents. All residents are encouraged to join the HOA and support the HOA Board of Directors as they work to support you. From November through Mid-January, membership sales are held in the clubhouse on Mondays from 10:00AM until 12 Noon. The dues are \$20 per household per year and are deposited into our general fund to be used for operating expenses, activities and legal support. Members who provide an email address will receive the monthly newsletter, minutes of membership meetings and any announcements via email. You may choose to have a hardcopy newsletter delivered to your home November to April. Newsletters are only delivered in the summer to members without email. Board Members are elected each year in January. You must be a paid member to be eligible to run for a seat on the board and to vote in the election.

ASSOCIATE MEMBERSHIPS are available for Renters only

Associate Members will have all the benefits of Members but cannot run for election or vote. The fee is \$15.00 per household. Please contact Janice Collins for the application. (813-788-5678). The Associate Member Form is different from the HOA Membership Form.
