### Message from the desk of HOA President Carolyn Keithley

Welcome Fall! October already, where has the year gone? It's time for the FLE season to begin. Our snowbirds will be returning and the lights will be coming back on.

The HOA year begins October 1st and runs through September 30th , 2023. Our first meeting will be October 13th at 10 AM in the clubhouse. If you have not yet renewed your membership, or you are new to the park and want to join the HOA, please contact Garry Chickery. Garry is the Membership director and in charge of Newsletter distribution.

The HOA Board members are the representatives for every resident in the park. We can follow-up with ELS management that the concerns you take to them are being responded to. The HOA does not make or police the park rules and regulations. We can verbalize concerns, discuss them with ELS, but in the end, ELS has the final say.

There are many events and activities planned for the upcoming months. Be sure and check out the calendars and the dates and times that you can purchase tickets. The activities planned and executed by Dir. Steve Bushey during the summer were fantastic. Thank you, Steve, for your hard work.

Looking forward to seeing everyone around the park in the next few weeks.

Carolyn Keithley, FLE HOA President
